HEART WAS WEAK NERVES ALL GONE

Mrs. J. H. Hallenbeck, 117 1/2 Welland Avenue, St. Catharines, Ont., writes:— "I was in a gas explosion; it left me with a weak heart, and my nerves were all gone. I suffered everything; couldn't sleep, or undergo any excitement, and when left alone I felt as if I could scream. I took dizzy spells, often falling, and bruising myself. My mother read about your Milburn's Heart and Nerve Pills, and bought me a box, but having taken so many different kinds of medicine it just seemed that I did not have any confidence in any of them. I took one box of H. & N. Pills, and felt so much better I continued with them until I had used five boxes, and after I had taken them I did not need any more. I cannot praise, or recommend, Milburn's Heart and Nerve Pills too highly after all they have done for me."

Put up only by The T. Milburn Co., Limited, Toronto, Ont.

GRAIN COMMISSION AND PRINCE RUPERT

A report of J. Guthrie Scott of the Royal Grain Commission speaking on the problem of marketing says: "Every outlet should be opened wide to the farmer. The less he pays for the cost of putting his wheat in the world market in Liverpool, the more it will net him on the farm. And the price he nets for what he exports fixes the price at the farm for all he raises, whether he exports it or not. For this reason, the railways should make a specialty of export wheat. They have gone a long way towards this in adopting the Crow's Nest basis of rates to Fort William. They should go further and should reduce the rates to Vancouver and Prince Rupert to the same mileage basis as the Crow's Nest basis to Fort William."

MYSTERIES OF JAPAN REVEALED IN MOVIES

TOKIO, Mar. 24.—The mysterious interiors of the temples of the two most powerful Buddhist sects in Japan are to be opened to the moving camera. The Higashi Honganji and the Nishi Honganji sects in Kyoto have decided to make use of the movies in their missionary work, and allow the temples and sacred precincts to be used as locations for filming the lives of the priests and the religious ceremonies. The scenario of a religious drama by the chief priest of Higashi Honganji already is being cast.

A hurry-up breakfast

To get Johnnie off to school and Daddy off to work with no kitchen worry, heat two Shredded Wheat Biscuits in the oven to restore their crispness, pour hot milk over them—and such a warm, "comfy," satisfying meal. You can work half a day on it without getting hungry. Lots of "pep" in it for the up-and-coming man who has to keep "on his toes."
