15,000 people are buying INGERSOLL WATCHES

15,000 Ingersoll watches bought every working day-4,500,000 a year-70 million since the first Ingersoll was made.

This is a record that stands unequalled. In fact more Ingersoll watches are made than all other American brands combined.

So when you buy an Ingersoll, you get dependability, good looks -and big value, because you get the savings that result from immense quantity production.

When Their Majesties King George and Queen Mary paid their official visit to the British Empire Exhibition at Wembley shortly after the reopening, they boarded the miniature Canadian Pacific train and made a trip around "Treasure Island" and expressed great interest in all they saw.

An effort will be made this year to transplant Swiss mountain roses in the Canadian Rockies. These roses, which were brought from Switzerland by Dr. Huebscher, late Swiss Consul at Montreal, are extremely hardy and only thrive above elevations of 3,000 feet. They will be planted in the gardens at Lake Louise and Banff.

The first trip or the Canadian Pacific S.S. Princess Kathleen from Vancouver to Seattle via Victoria was recently made under most successful conditions. The people of Seattle are so enthusiastic over the increased coastwise service that they have tendered an address of thanks to Captain Troup, manager of the Canadian Pacific Coastal ser-

There is every possibility that the Provincial Government of British Columbia may this year com ete the construction of the scenic highway connecting Golden on the main line of the Canadian Pacific Railway with the summer resorts of Banff and Lake Louise. When this link, much of which was built during the past two seasons, is completed it will make one magnificent triangle through the heart of the Canadian Rockies.

Building permits issued in Canada during the first quarter of 1925 were 10.2% and 1.2% greater than in the first three months of 1924 and 1923, respectively. There were also 5.5% greater than in the first quarter of 1922, 46.5% higher than in 1921 and 4.3% above the 1920 total. The aggregate value of building permits issued for the first quarter of 1925 was \$19,672,637, compared with \$17,846,969 for 1924 and \$19,+
