SECOND PLANE ARRIVES HERE

Flying Officer Allan H. Hull had Uneventful Flight from Vancouver on Saturday

Making the flight north from Jericho Beach under favorable weather conditions in about eight hours' flying time, the second Royal Canadian Air Force flying boat which will be used in patrolling the fisheries in this district arrived at Casey Cove, Digby Island, shortly before 7 o'clock Saturday night. Flying officer Allan H. Hull was the pilot and aboard the plane were Flying Officer A. L. Morfee, late of Camp Borden, and Corporal E. C. Tennant. Flying officer Morfee will remain here for a few weeks doing photographic work. An uneventful flight north was reported by Flying Officer Hull. The usual stops were made for refuelling.

Prince Rupert people will not see so much of the planes this year as they have in past seasons because their base has been established on Digby Island and the most of their flights will be made without passing over the city. The planes are being moored in the bay where the marine depot is located and the officers themselves are billeted there. Lieut. McCullagh is proceeding with the work of setting up wireless equipment at Seal Cove and, when this is done, will return south. Further members of the detachment which will be located here this season will arrive from the south by boat.

SCHEDULE TO CHANGE NOW

First C.N.R. Alaska Boat Arrives Wednesday—Prince Charles on Run Next Week

This week will see the opening of the C.N.R. coast steamship service to Alaska and the inauguration or the three-boats-a-week service between Vancouver and Prince Rupert.

The Prince Rupert will arrive at 10.30 Wednesday morning from the south, sailing at 4 that afternoon for Alaska ports. She will be back from Alaska at 10.30 Monday morning and will sail at 4 that afternoon for the south.

The Prince George will arrive at 10.30 Friday morning from the south and will sail at 4 in the afternoon for Stewart and Anyox, returning here at 5 o'clock Saturday afternoon and sailing for the south at 6.

The Prince Charles, thoroughly remodelled and a decided acquisition to the coast passenger boat fleet, will arrive at 10.30 next Monday morning from the south on her first trip, and will sail at 4 in the afternoon for Anyox and Stewart, returning here at 4 o'clock Wednesday and sailing for the south at 6 o'clock. The Prince Charles is already booked full for her first trip south from here with an evangelical party from Chatanooga, Tennessee.

The Prince George, sailing for the south on Saturday evening this week, is also expected to be a full ship. The California Glee Club party is booked south on her and also the Governor General's party. There will also be a large number of local passengers, including school teachers, going south for the holidays. She will be the next C.N.R. boat south from here this week.

VISITING PARTY HONORS CONSUL

E. A. Wakefield Made Honorary Member Krueger Association Here Yesterday

There was an interesting little ceremony aboard the Princess Mary yesterday afternoon shortly before she sailed south. American Consul Wakefield of this city was adopted into the order of the G. Krueger Association, having been made an honorary member by the big party of members who were here southbound on the steamer.

Before the arrival of the vessel the consul received a telegram asking him to meet the steamer. The officials of the society paid a call at the consulate, among them being John M. Lederer, head of the group; W. H. Soden, passenger agent for the Ernie Railway Company and C. F. Kraemer, director of the bureau of docks at Newark.

Returning to the ship the consul met all the 129 members and was formally initiated. The party was in Prince Rupert about two and a half hours in all.

SCHOOL HOLIDAYS ARE NOW STARTING

Final Examinations in Progress This Week and all Classes Will be Dismissed on Friday For Long Vacation

While the term officially closes on Friday of this week, teachers and school children are now preparing for the long summer vacation of two months. Already some of the classes are dismissed and in the upper grades of the Public School and the High School final examinations are now in progress. School is to reopen the first week in September.

IN THE MORNING HER TONGUE WAS COATED HAD BAD TASTE IN MOUTH

Miss Pearle, L. Zinck, Barss Corner, N.S., writes:—"I was awfully troubled with my liver, and used to get such dizzy spells I would have to sit down while I was doing my work.

In the morning, when I used to get up, my tongue was coated and I had a bad taste in my mouth and often times, throughout the day, I was troubled with pains in my stomach.

I suffered in this way until a friend of mine who had used your

MILBURN'S LAXA-LIVER PILLS

told me of having taken them, so I decided to try them, and I can truthfully say that they certainly did me a lot of good.

I cannot recommend them too highly to all those who suffer as I did."

You can procure Milburn's Laxa-Liver Pills at all druggists or dealers; put up, for the past 30 years, by The T. Milburn Co., Limited, Toronto, Ont.

Sport Chat

Outdoor sport fixtures for the week are scheduled as follows:

Monday (tonight) — Senior Baseball, Sons of Canada vs. Sawmill.

Tuesday—Senior Football league, Sons of England vs. Vets.

Thursday — Senior Baseball, Gyro Club vs. Sawmill.

Friday—Senior Football League, Callies vs. Cold Storage.

Trapshooting.

Saturday—Junior football.

A good baseball game is looked for tonight when the Sons of Canada and the Sawmill meet. It will be the second game of the season between the two teams. In view of the fact that the boys from the mill gave the Canucks a close run in the first game and further since the Sawmill has since acquired the service of Dan Lidstone, former Sons of Canada pitcher, it is expected that there may be a different ending to this game than there was to the first. A good match is assured and there will, no doubt, be a large crowd on hand to witness it.

The Sons of Canada, in tonight's Senior League baseball game against the Sawmill, will introduce a new hurler— a right hander who is said to have some class by those who have already seen him in action. He is a young man named Chet Schlenker, who has been a student at the University of Washington. He arrived in town from Seattle on Saturday and will take a position in Ben Self's store.

Terrace is making preparations for a big celebration on Dominion Day and a cordial invitation has been sent to Prince Rupert to attend. There may be a few go in spite of the fact that the major attraction of the day will be the Sons of Canada doings in town. Among other things, the Terrace bill for the day provides for a calithumpian parade, baseball game between Usk and Terrace; children's sports and a grand ball in the evening.

Good progress is being made on the clearing of the site at Westview Park on which the Gyro Club will establish its second children's playground. The contract for stumping and levelling was recently let and this phase of the work is nearly done. The ground will next be surfaced with cinders or some other suitable material and the club will then be thinking about obtaining the equipment. The new playground should be ready for use some time about August 1. The equipment will not be so extensive as that which was put in McClymont Park in view of the fact that so many children are not expected to use the ground.

There will be no further Junior Football League games until after the holidays unless one is played on Dominion Day in connection with the Sons of Canada celebration. The league standing as a result of the games played so far is as follows:
