WESTHOLME THEATRE

'The Side Show of Life'

A three-ring drama of circus, stage and society. A picture which throws the spotlight on the secret, behind-the-scenes life of a circus funny man showing him as he really is, stripped of his grease paint and bag of tricks. A brand new kind of love story with a clown as the lover and the Big Top and the Sawdust Ring as the settings. The love-drama of the fun-maker who rose to a higher plane; who had to choose between the society girl of his new world and the circus girl he had left behind him. A strong mixture of romance and comedy.

Strong cast: Ernest Torrence, Anna Q. Nilsson, Neil Hamilton, Lawrence D'Orsay, Maurice Cannon, Louise Lagrange and others.
