Lest We Forget

Our Water Powers.

We must not let the world forget our waterpowers, and we episodes depicting the struggles must not let the world forget that there is an abundant supply of the late English knight to conof potential power in this neighborhood that only needs to be vince his sweetheart of his inharnessed in order to make this a wonderful industrial centre. Inocence of the murder of her

The largest of the nearby powers is that at Falls River at brother, and to regain his lost its junction with the Ecstall. It has been recorded and the en-standing among his countrymen. gineers state it is good for 27,000 horsepower continuously, and in the favor of Asad, ruler of Then there is the Khtada River with 17,500 horse power and Algiers. Thulme River with 10,000 horsepower. Other powers are the The sea scenes are said to be Brown's River, Union Bay, and a number of smaller units. None the most unique and the higgest of these are developed to any appreciable extent, although some in physical action, although they money was spent at Falls River and Khtada River a few years do not overshadow the gorgeousago.

Grave Danger In

Oriental Situation. The situation in China following the strike in Shanghai is designed and executed for the a source of grave danger to the peace of the world. If as a re- members of "The Sea Hawk" sult Japan is obliged to land an army in that country she will east that the details of early be a difficult country to dislodge.

China is a land of brigands. Not only are there the outlaws. The picture will be shown here but also there is the brigandage of officialdom which stifles at the week-end. industry and holds the country back.

We read about the civilization of China and the progress ATTITE the official brigandage continues. Let a person try to start up the a factory or any other industry in the out who the brigands are. The probability is that the strike at Shanghai was brought about because of the failure of the Japanese to pay the tolls for protection.

China has wonderful potentialities. She might have been Rev. G. G. Hacker Returns from great under Sun Yat Sen but the powerful interests of the country would not allow their powers to be interfered with. Dr. Sun was an idealist, perhaps, but he also had a good deal of political sense. The job was too big for him although for many years he held his own in the south.

What People Expect And What They Get.

There is usually a difference between what people expect services in connection with for reformers. They will never in a city and what they get. Prince Rupert is not different from Church Union. The Anglican enjoy the future life if there is other places in this respect. Some people when they arrive ex- Church closed its services for nothing to improve. pect to see a city as big as Vancouver and others expect to see the day and the members of the nothing but a few shacks and muskeg and rocks. In either congregation joined in large THE way to get rid of case they are disillusioned.

Prince. Rupert is a small city making steady growth and Rev. T. J. Marsh was present at with prefty fair streets in some sections, just as good as the average for a town of its size.

The other day a visitor was heard to remark: "However veyed the good wishes of the An- What anyone may think of me could they have built a city here? Why didn't they find a flat piece of land for the townsite?"

Within an hour another visitor said: "What I like about and said he hoped to see the day Or else perhaps a clam. Prince Rupert is the townsite. It is one of the finest I have when Anglican and other church- I'd simply live and love and at Mill Bay has been leased by seen. I do not see how they could have picked one better suited es would join the United Church, for the purpose. It will always be healthy here because the making one strong spiritual drainage is so good and most of the houses will be built well up Protestant church. from sea level. It is not unlike Seattle in that respect only Seattle streets are steeper and the hill on which the homes are built is higher."

Then there is the weather. Everybody discusses it and most people are surprised to find that it does not rain every minute of the year, that people do not develop webbed feet and that summer hats are sometimes worn. A good many American tourists are quite disappointed not to find icebergs here.

Mr. Hacker said he was much THOSE who advertise spirit shown in Terrace. The trouble to mention the odors. Sunday school is a union of Anglican and United churches and renders much more efficient service than could two or three] smaller denominational schools.

Mrs. Marsh and Miss Griffiths are in charge of the primary scholars, using the Anglican church building and Mr. Marsh. and Mr. Parsons with a staff of teachers look after the intermedliate classes in the United Church building. The teaching is of a very high order.

The change of pastors with Prince Rupert was greatly appreciated by the Terrace people and Mr. Hacker had numerous invitations to visit Terrace again. He was entertained by Mr. and Mrs. Sundall and visits were also made to the homes of Mr. and Mrs. Young and Mr. and Mrs. Marsh.

Mr. Hacker is enthusiastic over the seenery and the productive fruit and farm lands of the district and was much impressed with the artistic and substantial appearance of the new bridge recently built by the

BE REBUILT AT ONCE

Lodge to be Utilized for the Present

WINNIPEG, June 16 .- In connection with the fire which totally destroyed Minaki Jun Thursday night the management of the Canadian National Railways announced today that preparations have already been commenced to accommodate guests at the lodge at Minaki, which was not destroyed by the fire. The lodge was originally used for the accommodation of winter guests and is one of the most substantial of the buildings standing at Minaki. It is complete in itself and will procide as comfortable accommodation for guests as was obtainable at the inn.

The fire destroyed only the main building and its contents The dance pavilion, boathouse, swimming accommodation and ice house were untouched by fashion might not be neglected. the flames and will be operated as in past seasons. The building was fully covered by insurance and will be rebuilt at once
