MONTREAL, September 4th - Getting ready for happy indoor living this winter? Here's my suggestion: - Ask to see the colourful new DOMOLITE designs at your favourite department or variety store. Domolite is that famous vinylite plastic fabric that's so easy to sew. You can make dressing-table covers, kitchen and bathroom curtains and drapes that need no hemming - for Domolite won't fray. And it cleans like a dream - just wipe with a damp

cloth - no ironing. It wears and wears - repels moisture, oil and dirt. Inexpensive, too! Ask for Domolite (made by Dominion Oilcloth and Linoleum Company). And write to me - Barbara Brent, 1411 Crescent St., Montreal, P.Q. -- for free, illustrated literature on what you can make with Domolite.

I Think Grape Jelly is one of the best-tasting jellies there is. So do the family! But you know, it's only the home-made kind made with those glorious, rich-purple grapes and CERTO FRUIT PECTIN, that they really beg for! Of course, made with Certo, jams and jellies always turn out perfectly ... yes, every time if you follow the recipes exactly. Beautifully set - full of the true fruit flavor ... a richer flavor, because unlike the old-days, with Certo you can "jell" fully-ripe fruits. And I find I get up to 50% more jam or jelly from

the same amount of fruit ... while saving myself 2/3 of the time of the former long-boil method. All I do is follow the simple recipes in the booklet, under the label of each bottle of Certo.

Another Beautiful Woodbury Bride, Marianne Delacorte, was

married recently. Her gown of cru silk taffeta brought out the coauty of her radiant, soft complexion ... kept lovely by years of care with WOODBURY FACIAL SOAP. You see, the mild, creamy lather of Woodbury Facial Soap leaves skin radiantly smooth, younger-looking. While some soaps tend to dry sensitive skin, Woodbury Facial Soap actually softens it. That's because to every cake of Woodbury Soap, skin scientists add a beauty-cream ingredient - the same softening oil used in fine face creams. Try Woodbury Soap for bride-beautiful skin! And try the Woodbury lets-"What to Know About Slide big Beauty Bath Size - for all-Fasteners", with new and easy over loveliness.

So when a sluggish, headachy feeling has you acting like a "grump", better do comething about it. Quickest way I know to trade in those "Blues" for lots of sunshine is to drink a glass of SAL HEPATICA. Yes, a sparkling glass of Sal Hepatica effervescent salts taken before breakfast will work quickly, yet gently, to relieve that uncomfortable feeling in your stomach. Sal Hepatica laxative salts are a trusted family laxative in our house. They work wonders to sweeten sour stomach - as a mild laxative or as a more thorough remedy for constipation. Yes, there's always

a supply of Sal Hepatica in my medicine cabinet. For what's more
