DOG RACE AT QUEBEC NEXT

St. Godard Has Gone There to Compete With His Team of Huskies

IS YOUTHFUL MUSHER

Says Expects to Win Again But at Anyrate Will Make Good Try

WINNIPEG, Feb. 9.—Determined to make a hard fight for victory in the Quebec Dog Derby, Emile St. Godard, 18 year old musher, of The Pas, Manitoba, who distanced all his competitors in the annual 200 mile classic of Northern Manitoba, left Winnipeg for Quebec this morning over the Canadian National Railways.

St. Godard, who was taking part in his first race at The Pas last week, put many miles between himself and his nearest competitor, and made the 204 mile journey to Herb Lake Gold Mines and return in what was considered good time considering the route and trail conditions. The time of this year's race was slow compared with last, when the winning team finished nearly twelve hours sooner than did St. Godard, but trail conditions were vastly different so much so, in fact, that several experienced mushers who were to enter their teams refused to do so because a large part of the route was laid along the Hudson Bay Railway track and they declared that dogs could not stand the many miles of travelling over cinders and gravel.

Brought in Dogs

St. Godard, driving Bacon's team finished in good shape, however, but brought in on his sleigh one dog, which had played out. The conditions of the race call for drivers finishing with every dog, dead or alive, either hitched to the sleigh or riding on it.

On arrival at Winnipeg, Saturday, St. Godard's team showed little effect of having gone through such a grind, when unloaded from the Canadian National Express car in which they had travelled down from the north, the dogs were harnessed to the sleigh and taken out for an exercise run. Their start from in front of the express stables, where they were quartered for the night, was an indication of why St. Godard had been able to secure and hold such a lead in his dash at The Pas. The owner of the team, Bacon, accompanied the youthful musher to Quebec, and is hopeful that they will be able to land the prize in the grind there as well.

A MARTYR TO CONSTIPATION

"Fruit-a-tives" brought early relief

MRS. C. W. THOMPSON

"I first heard of 'Fruit-a-tives' through a friend of mine living in St. Johnsbury, and as I was troubled with very high Blood Pressure and Constipation, I decided to try the fruit treatment. The result is that I am feeling very much better, and I am glad to recommend 'Fruit-a-tives' to anyone." Mrs. C. W. Thompson, Lyndonville, Vermont.

All your physical and mental energy is drawn from your blood stream. If the bowels and kidneys do not function properly, poison enters the blood stream, and the heart, brain and nerves are all affected. "Fruit-a-tives" clear the system of all waste matter, purify the blood and tone up the whole system. They are made from the intensified juices of luscious healthful fruits combined with tonics. Gives Interview

To newspapermen who met him at the station on arrival here, St. Godard expressed himself as optimistic as to the outcome. At any rate he could try as hard as he had done at The Pas, and he believed his team was Speedy as anything which either east or west could produce. St. Godard himself has the build for a long distance runner and looked the picture of health. He declared he had long since got over the effects of his long grind of last week, and had not felt particularly tired at the finish despite the thirty hours duration of the journey. "But it was pretty hard on the dogs," he added. His team, however, were in good shape again and would be eagerly awaiting the starting pistol.

St. Godard will have real competition from his home town when he starts in the Quebec Derby. In addition to Earl Brydges, winner of last year's Quebec race, he will have Sherry Rustick, winner of the 1924 classic at The Pas and McDonald's fleet team of huskies to contend with. The other three drivers with their teams are due to reach Winnipeg on Tuesday.

BADMINTON IS WELL CONTESTED

Prince Rupert Club Wins by Three Games Against Regiment at Armories

The Prince Rupert Badminton Club scored a second victory against the First B.C. Regiment at the Armories yesterday afternoon, beating them by three games out of a total of fifteen. Most of the games were well contested and the spectators experienced scarcely a dull minute while play was going on. During the course of the afternoon ten was served to all those present by the ladies auxiliary, Mrs. Nicholls pouring.

By points the play was very close, the total for the Prince Rupert club being 175 and for the Regiment 167. One interesting feature was the defeat of Bartlett by Johnstone in the second round.

At the conclusion H. F. Puller on behalf of the visitors thanked Colonel Nichols and the Regiment for the enjoyable afternoon's sport and wished them better luck next time. Colonel Nichols responded. The scores were as follows:

First Round Singles

Scott beat Rix 15 to 10.
Philpott beat Thompson 15 to 10.
Tinker beat Wyles 15 to 10.
Bartlett beat Johnston 15 to 13.
Crawe beat Tremayne 15 to 8.
Nicholls beat Carmichael 15-5.

Second Round Singles

Scott beat Rix 15-6.
Philpott beat Thompson 15-7.
Wyles beat Tinker 15-3.
Johnston beat Bartlett 15-10.
Crawe beat Tremayne 15-9.
Carmichael beat Nicholls 15-11.

Doubles

Philpott and Tinker beat Scott and Wyles 15-11.
Bartlett and Carmichael beat Rix and Johnston 15-9.
Thompson and Crawe beat Tremayne and Nicholls 15-8.

Sport Chat

In addition to the regular basketball games tonight, several local businessmen have volunteered to stage a little battle according to an announcement made by B. J. Bacon. The game among the butchers last week proved so interesting that it has been decided to give the fans a chance to see a game which will make up in enthusiasm any thing that it may lack in skill. The regular games tonight will include a battle-royal between the Elks and Sons of Canada who are tied at the top of the Senior League, another of those interesting Ladies' League engagements between the Maple Leafs and Gill's and an intermediate match between the Grotto and Regiment. It is, on the whole, a very interesting program and there should be a bumper crowd of fans out for the evening.

They tried a new golf stunt in Montreal the other day on the snow-covered links of a small club known as the Rosemount Club in one of the suburbs. They called it golf on snowshoes and, while the participants claimed they enjoyed it thoroughly, it is doubtful if it will ever become generally adopted. Some years ago there was a fox hunt over the snow near Montreal and, though that too was a great frolic, it was never repeated. In the golf on snowshoes, a tennis ball was used. Old Country people say that, after the first snow-fall in Scotland, the dyed-in-the-wool golfers keep on playing until the snow gets too heavy and use a ball painted red to facilitate spotting it.

It was announced this morning that the Colts, having failed to field a team in Thursday night's Senior League basketball game, thus forfeited the match to the
