Any SKIN TROUBLES In Your Home?

Then Zam-Buk is your surest means of securing once more perfectly sound tissue and a blemish-free skin. Zam-Buk owes its signal triumph over skin disease to its unique herbal composition. This rare antiseptic balm expels all harmful germs that have secured lodgment beneath the cuticle, banishes sores and eruptions, and grows healthy new skin in a way done by no mere pore-clogging ointment or fatty salve.

ECZEMA ON HANDS.—Mr. J. E. Cusick, of 349, Wilson St., Hamilton (Ont.), says:—"Every winter eczema appeared on the back of my hands. The intense itching and pain was most severe, and the disease got so bad, I was unable to work. Even a sample box of Zam-Buk proved it worth, and I at once bought a supply. I never could have believed if I had not experienced it, how quickly Zam-Buk completely healed my hands."

BURNS & SCALDS.—Mr. E. Webster, of 519, Seigneurs St., Montreal, says:—"As I was lifting a pan of boiling water off the stove, my son Eddie ran towards me, and knocked the pan upwards, severely scalding his neck. We tried several so-called remedies, but they all failed to give him relief. We then applied Zam-Buk and this acted like a charm. It drew away the pain and soon healed Eddie's terrible scald."

POISONED HAND.—Mrs. Geo Boorman, of 906, Selkirk Avenue, Winnipeg, says:—"I cut my left hand while using a pair of scissors. The deep ugly wound bled so profusely, and so long, I was afraid an artery had been severed. Inflammation set in, and my thumb turned black with poison. Zam-Buk soothed the acute pain directly, drew out all inflammation and discoloration, and soon healed the wound."
