CITY GRANT TO COST OF BOOK

Peace River Route Will be Featured in Publication Being Prepared

The city council last night decided to contribute $300 to cover half the cost of a booklet that is to be published setting out the advantages of Prince Rupert as the Pacific Ocean outlet to the Peace River valley. The special committee from the city council and the board of trade that has been going into this matter has reached the decision to publish such a booklet. Half the cost is to be paid by the city and the other half by the Board of Trade. The estimated cost is $600 and the publication will be comprehensive and illustrated. It is intended to have it in the hands of the members of parliament before definite decision is made this summer as to the railway outlet for the (Peace River.

Routes to Peace

The request of the committee for financial assistance was submitted to the council last night by Mayor Newton with his endorsation. Ald. Casey said it was the lead of the committee to submit in the booklet a comprehensive survey of all routes to Pouce Coupe. For the best interests of the Peace River Valley, it was believed that the farther west the rail connection was made, the better it would be. This being the case, Prince Rupert would be the logical outlet.

MOST OLD FOLKS REQUIRE A HEART AND NERVE TONIC

After middle age little sicknesses and ailments seem harder to shake off than formerly as the heart action becomes weak and uncertain and the nerves are not as steady as they were in the younger days.

Now is the time when all aged people who wish to maintain their health and vigor and retain their energy unimpaired should use

MILBURN'S HEART AND NERVE PILLS

Mrs. M. O'Connor, Whitestone, Ont., writes:—"I have been troubled, most of my life, with shortness of breath, palpitation of the heart, and fainting spells. I was advised, by a friend, to try Milburn's H. & N. Pills, which I did, and at once found relief, and I have never had a really bad spell since. I am 80 years of age and I always keep them in the house, and feel that with their help I will see many years yet. I always recommend them to anyone who is suffering from heart trouble."

For sale at all druggists and dealers.

There would, doubtless, be a strong effort made by Vancouver to have a direct connection with that city and the C.P.R. might be a determining factor. Prince Rupert should leave no stone unturned to have the best route adopted.

Other members of the council expressed the opinion that everything should be done towards having the Peace River outlet tributary to Prince Rupert. The expenditure of $300 was deemed well warranted.

On motion of Ald. McMordie, seconded by Ald. Perry, the vote of $300 was granted.

OCTOGENARIAN FATHER BE AT INAUGURATION

Colonel John C. Coolidge, Silent as His Son, Will Attend Event Tomorrow

WASHINGTON, Mar. 3.—(Associated Press).— The person outside the White House to whom the inauguration of President Coolidge on Wednesday means most, will be a silent New Englander who, at the age of 80, has come to Washington on on unusual errand, to see his own son inducted into the highest office in the land.

Of the 30 men who have been fathers of Presidents only a handful lived to see the day that was to fulfill their fondest hopes. But in the case of Col. John C. Coolidge of Plymouth, Vermont, there has been a double fulfillment. It fell to his lot, on the night of President Harding's death, to himself administer the presidential oath to his son, and now he is to see a repetition of that pledge by virtue of an overwhelming mandate of the American people.

The elder Coolidge comes by the title of Colonel by virtue of service on the staff of the governor of Vermont, and he came by the privilege of swearing in his own son by virtue of holding a commission as notary public. Again, by virtue of the now-historic scene at the little Vermont farmhouse, when Calvin Coolidge placed his hand on the family Bible and repeated the words of his obligation as his father read them haltingly by the light of an oil lamp, Colonel Coolidge, the notary public and Vermont farmer, has become a figure of national interest.

He, sarcastically—You know some on has said, "If you would make a lasting pair of shoes, take for the soles a tongue of a woman."

She—Yes, and for the uppers the cheek of the man who said it.

DORA AND THE CAKE

Little Dora—Ma, are you going to give me another piece of cake?

Mother—Why do you want to know?

VANDERHOOF

Miss Louise Snell, the first white girl born in the Nechako Valley, won the carnival queen contest staged by the Vanderhoof Athletic Association to raise funds for the skating rink. At the coronation, which took place last week, her maids of honor were Miss Evelyn Smedley and Miss Emmie Violet Day who came second and third in the contest. Queen Louise was crowned by William F. Manson, the earliest settler in the district. The carnival is continuing for an entire week and will close on Thursday.

Mrs. Leo Burger left last Thursday afternoon for Regina.

A son was born on February 22 to Mr. and Mrs. T. B. Mitchell of Vanderhoof.

John McPherson of the Hudson Bay Co. has returned from a trip to Vancouver feeling much better for the vacation.

BURNS LAKE

George Johnson was found dead in his cabin at Francois Lake last week. He was a pioneer of the district and had travelled extensively from Alaska to the Rockies as a prospector. His death is believed to have resulted from a fall which he recently sustained.

Howard Pringle was a visitor here last week from Francois Lake on business in connection with the Prince Ruper Logging Co.

The Burns Lake hockey team visited Smithers last week and was defeated in both of a series of two games.
