SERVICE NOT SERVITUDE

Has it ever occurred to you that the multitude of "Household Helps" offered for sale are of themselves lifeless and incapable of service unless controlled and directed by the already overburdened housewife.

Laundry service alone is alive, vital, imposing no new obligations, and asking nothing but your friendly disposition, to change servitude into service.

BRINGING UP FATHER

COOLIDGE TO BE THE HEAD

Will Dictate Policy of State Department in Future, it is Said

WASHINGTON, Jan. 28. — By Canadian Press) — President Coolidge intends to be his own State Department and to dictate the foreign policy of the government himself. That, at least, is the interpretation generally placed here in the best informed circles on the appointment of Frank B. Kellogg, recently Ambassador to London, to the office of Secretary of State to succeed Charles E. Hughes.

Whether there has been differences between Secretary Hughes and the President is something on which there are differing views. In any event, Mr. Hughes is a person of strong views and with him Secretary of State the President is obliged more or less to defer to those views as to foreign policy. It is well known that he has not at all times been in complete accord with the Hughes program and ideas.

But with Mr. Kellogg, former Senator from Minnesota, in the office, the situation will be different. Mr. Kellogg is an able lawyer. That is conceded. But it is the feeling here that as head of the State Department he will be entirely willing to act as the administrator of the Coolidge policies on international matters. When in the Senate, it is recalled, Mr. Kellogg was generally found doing the will of the republican administration. It is against his nature to be ipsurgent.

Mr. Kellog is a hard worker. His record is that of a believer in the League of Nations. He was one of the "mild reservation" element in the Senate when that issue was up. It remains to be seen just what he will do about such matters as a disarmament conference and Russia but that he will defer to the views of Coolidge without resistance is anticipated.

In the selection by Mr. Coolidge of Mr. Kellogg for the State Department and Charles B. Warren of Michigan for attorney-general, the President has made personal selections. Many look on them as forecasting that Mr Coolidge intends to run again in 1928.

IN THE MORNING HER TONGUE WAS COATED HAD BAD TASTE IN MOUTH

Miss Pearle, L. Zinck, Barss Corner, N.S., writes:—"I was awfully troubled with my liver, and used to get such dizzy spells I would have to sit down while I was doing my work.

In the morning, when I used to get up, my tongue was coated and I had a bad taste in my mouth and often times, throughout the day, I was troubled with pains in my stomach.

I suffered in this way until a friend of mine who had used your

MILBURN'S LAXA-LIVER PILLS

told me of having taken them, so I decided to try them, and I can truthfully say that they certainly did me a lot of good.

I cannot recommend them too highly to all those who suffer as I did."

You can procure Milburn's Laxa-Liver Pills at all druggists or dealers; put up, for the past 30 years, by The T. Milburn Co., Limited, Toronto, Ont.

Tonight's match between the Great War Veterans and the Prince Rupert Billiard Parlor will be an especially interesting affair in view of the fact that the two teams are such close rivals for first place in the league standing. The Billiard Parlor is at present in the lead but the Vets are only 99 points behind in the aggregate as it stands to date. It will be quite a task for the Vets to overcome this margin but they and their supporters are by no means hopeless about doing so. Both sides will have their best players out as strategically arranged as possible and five interesting games comprising the entire tournament are promised.

The Princes Golf Club, once one of the most exclusive in the London district, has been converted into a public course. For the equivalent of 35c a round, anyone may play there. Princes at one time was the favorite resort of Bonar Law, Balfour and other outstanding statesmen. Representing the public, Ramsay Macdonald accepted the deeds and title to the course from Sir H. Mallaby-Deeley, who spent more than $200,000 on the property before giving it away. On receiving the course, the ex-Premier said: "Golf has got far too expensive. It ought to get back to its old position as a first-class workers' game."

Line-ups for the first division billiard tournament tonight between the Great War Veterans' Association and the Prince Rupert Billiard Parlor will be as follows:

Col. S. P. McMordie (G.W.V.A. vs. George McIlmoyle (P.R.B.P.)

Sgt. Jebson vs. Charles Balagno.

Fred Pyle vs. B. Jelich.

A. Volume vs. A. A. Easson.

Percy Tinker vs. Frank Zieman.

SHADOWS MAKE TARGETS FOR ARMY AVIATORS

SAN FRANCISCO, Jan. 28.—Army aviators from Crissy Field, at the Presidio of San Francisco, are engaging in combat practice by firing at shadows of planes in the bay.

Two planes are used in the instruction. They fly at varying altitudes, and the aerial machine gunner in one fires at the moving shadow of the other. The splash of the bullets shows plainly how well the gunners are shooting. Lewis machine guns, firing bursts of from five to 100 shots at a rate of 400 to 500 a minute, are used.
