SERVICE NOT SERVITUDE

Has it ever occurred to you that the multitude of "Household Helps" offered for sale are of themselves lifeless and incapable of service unless controlled and directed by the already overburdened housewife.

Laundry service alone is alive, vital, imposing no new obligations, and asking nothing but your friendly disposition, to change servitude into service.

LADIES' AUXILIARY OF SMITHERS HOSPITAL IN ITS ANNUAL MEETING

SMITHERS, Jan. 7.—The annual meeting of the Ladies' Auxiliary to the hospital was held in the Nurses' Home last Friday. There was a good turn out of ladies at the meeting and they were presented with a most encouraging report for the past year by the retiring officers. The Secretary's report showed that $892.03 had been collected during the year, the larger portion being the receipts from dances held under their auspices. In addition to this there was also about $300.00 worth of provisions donated by the public at the time the provision shower was held. The balance to their credit at the end of the year amounted to $322.73.

The election of officers resulted as follows:

ELKS ARE HOSTS TO CHILDREN OF MEMBERS

After Anyox Youngsters Had Enjoyed Fun Elders Danced

ANYOX, Jan. 7. — On Friday last, the "Brother Bills" were hosts to the kiddies of the order in Elks Hall, when a grand old time was had by the boys and girls. At six o'clock supper was served, after which games were played, bon bons were distributed and when Santa Claus arrived everybody got big bags of candy and everything. After the children were tired out, the orchestra being on the job, the grown-ups danced till shortly after ten when the party broke up.

Mr. and Mrs. C. McLachlan were in charge of the arrangements and were assisted by members and their wives. Mesdames A. Morton, W. Robertson and J. Weir, with E. Ashton, laid out the tables for the feast and saw that all the youngsters had plenty to eat.

TELKWA

Miss Peggy Gillatt returned on Sunday morning from Prince Rupert where she spent her holidays as the guest of Mr. and Mrs. M. M. Stephens.

There is plenty of snow now and the roads are in fairly good shape for hauling. Loads of ties, beef, hay and coal are coming in daily.

The crew employed at the coal mine spent a day or two in town over the New Year.

Mrs. Jack Yool who has been a patient in the Telkwa Nursing Home has returned to her home at Burns Lake after spending her holidays with friends in Telkwa. Miss Florence McLean returned to Round Lake on Sunday.

Rev. Wm. Dovey held service at the school at Round Lake on Sunday afternoon.

The Women's Auxiliary to the Telkwa Nursing Home held its monthly meeting in the library on Monday, January 5.

Skating is taking up the interest of the youngsters now and many grown ups are also taking advantage of the rink and weather to enjoy the sport.

ALICE ARM

Alice Arm merchants have agreed henceforward to close their stores at six o'clock every evening.

Mrs. N. Sutilovich and daughter, Miss Zorka Sutilovich, have returned here from Prince Rupert.

The people of Alice Arm danced the old year out and the new year in last Wednesday night at the Alice Arm Hotel. The orchestra consisted of Mrs. J. Laidlaw, saxophone; R. F. McGinnis, piano, and Charles Hutchison, clarinet. During the evening a sailors' hornpipe was executed by Jean Falconer and Teddy Kergin.

SMITHERS

Wm. T. Gilmour of Saskatoon, representative of the Arctic Ice Co., was a business visitor in town the fore-part of the week. His company contract for the ice used by the C.N.R. and he reports that a large supply of ice will most likely be cut on Lake Kathlyn this winter.

A surprise was tendered Mr. and Mrs. M. McMillan in their new home on Saturday night, when a few happy hours were spent at dancing.

Jas. Turnbull of Hazelton was a visitor in town on Tuesday.

DON'T LET YOUR BOWELS GET CONSTIPATED

A free motion of the bowels every day should be the rule of every one who aspires to perfect health, for once the bowels become constipated and clogged up, all the other organs of the body become deranged.

Keep Your Bowels Regular by Using

MILBURN'S LAXA-LIVER PILLS

They will clear away all the effete and poisonous matter which has collected in the system, give you a free, easy and natural motion of the bowels every day, start the sluggish liver working, and give tone and vitality to the whole intestinal tract.

The new Fleishhacker swimming pool in San Francisco, 1000 feet long and said to be the largest in the world, will be dedicated when the National Amateur Athletic Union swimming championships are held in that city next April. The tank, which is now under construction near the ocean beach at Ingleside, will have a maximum depth of twelve feet. It is an outdoor pool but the temperature of the water will be regulated. The property involved is owned by the city and the pool will be open to the public. Another dedication, that of the new municipal stadium at Golden Gate Park will mark the track and field events of the National Athletic Union to be held at San Francisco in June. The stadium, being built this winter, will seat 22,000 people. Careful attention is being given the racing track so that it may be one of the fastest.

Fishermen who proudly watch their flies settling far out in the water after a perfect, flashing arc through the air may be well reminded that this sport was shared by similar enthusiasts in Rome during the year 300 B.C., Prof. Teavor Kincaid, University of Washington, declared at Seattle recently in an illustrated lecture on fly making and casting. "The Romans were skilled fishermen and fly casters," said Professor Kincaid. "Although our manufacturer flies may be more substantial and a trifle more beautiful, the Romans in 300 B.C. considered angling a fine art and had many magnificent specimens of flies in their collections."

RUGBY POPULAR AS SPORT IN VANCOUVER

Rugby is particularly popular as a sport in Vancouver. During the recent visit of a California team the weather was cold and for the first match the ground had to be covered with straw to prevent injuries to the players because of the hard frost. Yet the grand stand was packed with fans and there was a good line of spectators around the lines. It was also noticeable that the majority of the spectators were young men and the accent of the English college man was very much in evidence.

ICE HOCKEY IS THE VOGUE AT ALICE ARM

The hockey season is now on in full swing at Alice Arm. Games are being held regularly at the rink which, as a resort for skaters, is also popular. Three town teams have been lined up namely Bears, Wildcats and Tigers. In the first game last week, the Wildcats won over the Tigers by 5 to 2. Three games are being played this week.
