The grouping of boats has had a bad effect on the halibut market again with the result that some sold as low as six cents at the exchange this morning. The Alaska with 58,000 pounds left yesterday for Seattle and the Atlantic with 40,000 took her catch to Sitka. HAD BOILS ALL OVER HIM

There is only one way to get rid of boils and that is by going right to the seat of the trouble—the blood—as the bad blood must be made pure before the boils will disappear.

BURDOCK BLOOD BITTERS

Cleanses the system and removes all the foul matter from the blood in a way that few medicines will do.

Mrs. Chas. Rankin, Bulyea, Sask., writes:—"A few years ago my husband had a terrible time with boils. On one arm he had 16 between his elbow and wrist; five on the back of his neck, and several more on different parts of his body. He tried everything he could think of, but got no relief until he took Burdock Blood Bitters, and to his surprise it completely relieved him of his boils, in a very short time."

B.B.B. has been on the market for the past 46 years; be sure you get it when you ask for it; put up only by The T. Milburn Co., Limited, Toronto, Ont.

URGES PLEDGE TO BE TAKEN BY IMMIGRANTS

Orange Grand Lodge Would Have Them Declare Intention Before Coming Here

EDMONTON, Mar. 26.—In view of the fact that there are so many immigrants coming to this country with no avowed intentions of becoming assimilated into the citizenship of the country, we therefore recommend that our legislation committee suggest to the dominion government that all intending immigrants to Canada be asked for a pledge before leaving their native lands:

(1) That they will be prepared to adopt the English language the language of the country.

(2) That they pledge their loyalty to the flag, the emblem of our empire.

(3) That they will have their children educated in the public schools, as the best means of assimilating them into the citizenship of the country.

(4) That they will become naturalized citizens of Canada when entitled so to do.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.

DOG SHOOTING POLICE COURT

Otto Miller Pleads Guilty to Using Firearms and is Fined $10 by Magistrate McClymont

Following the shooting in the east end of the city of an Airedale dog owned by M. L. Steep and a collie owned by Capt. Svendsen, Otto Miller was charged in the city police court this morning with unlawfully discharging a gun within the city limits. He pleaded guilty and explained that the dogs had become a nuisance around his house and he was afraid they would bite his little girl. A fine of $10 was imposed by Magistrate McClymont.

It is probable that civil action will follow this case. M. L. Stepp had offered a reward of $25 for information leading to the conviction of the person who had shot his dog.

VANITY CASE GOES AND UMBRELLA HANDLE USED IN ITS PLACE

LONDON, Feb. 13.—Umbrellas with handles flat as pan cakes have appeared in London and are considered quite the thing among fashionably dressed young women.

The umbrellas are altogether too unwieldy to be carried by the handle, so are attached to the arm by means of a heavy silk cord. But they have the advantage of doing away with the vanity case, for within the flat handle the owner carries her powed box lipstick eye lash crayon, a dainty little box of perfume, a three inch comb, a mirror, and enough hair pins to last her several hours.
