Broomala and Hockey Played at Smithers Where Rum Runners Meet Hi-Jackers, Latter Losing

SMITHERS, Feb. 6.—Hockey, the great winter sport, has a good grip on Smithers this winter and local fans are being treated to matches almost daily. During the past week age do not seem to have been taken into consideration by the participants as players as young as six years up to those nearing the allotted three score and ten have taken part in the games.

On Thursday night a game was staged between team playing under the titles of the Rum Runners and the Hi-Jackers in which residents of the first two blocks on Main Street played against residents of the second two blocks.

W. S. Henry was goal tender for the former team, with the following players taking turns in filling the other position: H. Liffon, G. Roberts, F. Newbury, F. Johnston, L. S. McGill, C. Shields, E. Eby and S. Eby. The opposing team with Frank Conway in goal comprised D. Northover, D. A. McTae, C. Bowland, H. Robinson, J. A. Macdonald, S. H. Hoskins and S. Gazeley. The game was won by the rum-runners with a score of 4 to 2.

On Saturday afternoon a game was played between two teams of junior boys selected from the Boy Scouts, which ended in a draw, neither team being able to get the puck past the goal tenders.

Broomala
On Saturday night the fans were treated to something new, when teams picked from the Government Office staff and the G. S. R. office staff clashed in a game of Broomala in which the players were armed with worn-out brooms and given a football to play with instead of the puck. Kicking the ball was strictly barred and if the players expected the game to be a tame affair their ideas were soon changed, as both teams were out to win and the brooms were wielded with great vim, sometimes hitting the ball and sometimes missing and shinning a nose or barking a shin. The Government staff were represented by J. S. Kirby, goal; T. W. Brewer, S. H. Hoskins, H. Welch, H. G. Windt, T. Theris, J. Smith, G. Heffernan and Miss H. Grant. The Railway Office by J. G. Stephens, goal; J. Kilpatrick, F. Manuels, W. Coher, G. Roberts, E. Gunderson, W. McLennan and H. Gunderson. The Government team won by a score of 4 to 2.

The return game between the Car Shops and Round House, scheduled for Sunday afternoon had to be postponed, the weather man interfering by disking up a brand that snowed under and froze the arrior of the players.

ONLY TWO BASKETBALL GAMES LAST EVENING

Colts Faled To Muster Team in
Senior League But Their
Namesakes Won Other
Two Matches.

Only Intermediate and Junior League basketball games were played last night, the Colts being unable to field a team against the Sons of Canada in the scheduled Senior League match. The Colts won the Intermediate League game from the Regiment by 44 to 43 and victory went to the Colts over the Tiny Tims in the Junior League by 31 to 18.

R. B. Skinner referred the Intermediate game in which the players lined up as follows: Colts—W. Wrathall, A. Phillips, D. Frizzell, E. McLean, G. Shenton and Chester Clapp. Regiment—E. Dingwall, Sidney Bazett-Jones, C. McKeown, A. Horrobin, A. Palmer and C.

shore end of Alma Road and lies immediately East of the Jericho Tennis Club. There is sufficient depth of water to accommodate the largest yachts in the club's fleet and the projecting point just west of the Jericho air station affords shelter from prevailing winds. What appeals to the members of the club most of all in connection with the proposed new site is the fact that it will effect a great saving in time on cruises to points outside the First Narrows. Also it will be possible to keep the yachts and their canvas much cleaner than at the present Coal Harbor anchorage.

There is much conjecture among sporting writers as to whether Jack Dempsey, heavy-weight boxing champion of the world, is really going to retire. A great many different and contradictory reports are emanating from Los Angeles where the champion is now sojourning near his lady love, Estelle Taylor, whom he declares he is going to marry and who is the reason for his announced decision that he is through with the fight game. It would not seem improbable, indeed, Dempsey has declared his willingness to fight again before he marries. If he is really going to, however, arrangements will have to be made very soon. Jack Kearns, Dempsey's manager, seems to be taking the champ at his word when he says he is going to quit. It is stated that Kearns has practically accepted the position of manager for Mickey Walker, the middleweight corner.

Only three of the five games in the second division billiard tournament last night between the St. Andrew's and Grotto teams were played, the former being ahead in them by 133 to 431. The games played were as follows:

J. Brown, St. Andrew's, 133; J. Hillman, Grotto, 150; S. D. Macdonald, 150; W. Stewart, 148.

The games of J. Andrews vs. W. J. Nelson and M. Andrews vs. J. Beesley will be played tonight; it is expected.

VANCOUVER HAD TWICE AS MUCH RAIN DURING JANUARY AS P. RUPERT

They can talk as they like about Prince Rupert's weather and say that this town is the wettest in the country but facts are facts and figures are figures. While Prince Rupert had 6.98 inches of rain in January, Vancouver had 12.46 inches or nearly twice as much. These are the official figures issued by the Dominion meteorological service. Prince Rupert had more snow than Vancouver but, at that, the total precipitation here for the month was only 9.28 inches.
