PRETTY WEDDING AT SKIDEGATE MISSION

Miss Flora Brown Daughter of Chief Peter Brown Becomes Bride of Louis Collison

SKIDEGATE, Mar. 14. — A pretty wedding was solemnized at Skidegate Mission on March 6 when Miss Flora Brown, daughter of Peter Brown, a Skidegate chief, became the bride of Louis Collison. The ceremony was performed by Rev. J. Gillett of Massett who made a special trip here for the purpose.

The church was crowded by the time the groom arrived escorted by the band. The same band then escorted the bride and bridesmaids. The bride was charming in a pretty gown of Crepe de chine trimmed with crystal and gold beads and carrying a bouquet of red and white carnations.

The bridesmaids, Miss Dora Russ and Miss Irene Gladstone wore pink and canary organdie dresses and picture hats while the matron of honor, Mrs. I. Haan, was in peach crepe de chine.

After the ceremony all adjourned to the village hall where a banquet had been prepared and to which all the inhabitants of Skidegate white village were invited and took part. Band selections and congratulatory

as it removes the cause of the headaches in a way that no other remedy will do. Mrs. Wm. Helgard, Lower Stawicke, N.S., writes: "I suffered for a long time with my head. It would ache and ache until it made me so sick I could not do anything, but after taking four bottles of B.B.B. ANYOX PLAYERS ARE REHEARSING FARCE

ANYOX, Mar. 14. — The members of the club recently organized to provide dramatic entertainment for the good folk of Anyox are getting along very nicely with their rehearsals of the play which they have chosen as their opening medium. It is one of the funniest farce comedies ever written, called "The Telegram," being an outstanding success of the American stage some years ago. That it will be appreciated here goes without saying. The Community League has spent considerable money in raising Recreation Hall stage and fitting it with a set of scenery. The first performance by the Community Players will be on April 3, with a second performance on the night of April 6.

Women not so long ago were compelled to stand for that sort of thing but now they have won their independence of thought and are capable of making their own livelihood. She can tell her husband, "If you do not treat me as a gentleman should, I will not stay." She left and went to Reno. After two or three years, she produces the child well groomed and well nourished with the appearance that it had received all the care of a decent mother. Nor has she at all refused access to the child. I do not see why the child should be taken from the mother, especially when the father himself admits that she is morally fit to bring it up. The father has himself to blame if the child is in Reno. He drove the mother away and is himself entirely responsible for the present condition of affairs. The mother will have custody of the child."
