MOTHERS LIKE TO TREAT COLDS WITH VAPORS

Direct Treatment with Vaporizing Salve Immediately Reaches Inflamed Air Passages.

It is no longer necessary constantly to dose the children in treating croup, bronchitis, sore throat, or deep chest colds. Many Canadian mothers now use the "outside" remedy, Vicks VapoRub, for the cold troubles of all the family, because it is just rubbed over throat and chest—there is nothing to take. When so applied Vicks gives off medicated vapors which are inhaled directly into the inflamed air passages, loosening the phlegm and making the breathing easier.

At the same time Vicks is absorbed and stimulates the skin like a liniment or plaster and thus aids the vapors inhaled to break up the congestion. At all drug stores 5c a jar. For free test size package, write Vick Chemical Co., 344 St. Paul St., W., Montreal, P.Q.

ed in the singing of "Auld Lang Syne."

Although the pace was beginning to tell on some, the merry-makers did not want to stop and it was four o'clock before they allowed the musicians to pack up their instruments and bring the dance to an end.

SMITHERS

Mrs. Alexander, sr., arrived in Smithers last Thursday morning on an extended visit to her sons, Dr. Alexander and W. J. O'Neil.

Smithers' merchants and business houses observed an extra holiday last week, being closed all day Friday as well as on New Year's Day. Some of the merchants took advantage of this and were busy taking stock.

A surprise party was tendered Miss Marjorie Roberts and her guest Miss Glover on Friday night when a number of young folks, laden with good things to eat, marched into the Roberts home and took possession for a few hours. A most enjoyable time was spent at dancing and games. At the supper hour some of the boys donned kitchen attire and served a most delightful repast, after which dancing was resumed until about "three o'clock in the morning."

After spending the Christmas holidays in town with her parents Mr. and Mrs. J. G. Stephens Miss Muriel Stephens left on Sunday morning for Prince Rupert where she will resume her studies at St. Joseph's Academy.

G. L. Dimock of the public works department left on Sunday morning for Victoria where he has been called by the Government to attend a conference of Provincial road superintendents and district engineers.

Mr. and Mrs. Clarence Goodenough arrived in town last week and intend to reside here for awhile. Mr. Goodenough having resumed his position as pole inspector with the Hanson Tie & Lumber Co.

Miss Muriel Adams, daughter of Mr. and Mrs. J. Mason Adams left on Sunday morning for Prince Rupert to attend school for the next term at St. Joseph's academy.

Miss Glover who has been the guest of Miss Marjorie Roberts during the holiday season, returned to Terrace on Sunday morning to resume her duties as school teacher in that town.

After a series of bouts with the weather man and difficulties in obtaining water, Manager Hann has at last got a good sheet of ice on the skating rink, and it was thrown open to the public for the first time on Saturday night. A number of the boys turned out for a short hockey practice but it will be a few days yet before they settle down in earnest to get in shape for hockey games.

Elks.

A bumper crowd is expected at the Elks' Home to start off a schedule which it is anticipated will be an interesting one from start to finish. The City Billiard League will resume its schedule for the second half of the season next week. The schedule, which is published elsewhere, provides for the opening game of the second division on January 13 and that of the first division on January 14. At a well attended meeting of the delegates in the Great War Veterans' Rooms last night it was decided to carry on with the same regulations as governed the first half of the season. President J. J. Walsh was in the chair.

NEW YEAR NOVELTY BALL AT SMITHERS

Annual Event was Largely Attended and Proved Most Enjoyable

SMITHERS, Jan. 5. — The Smithers Athletic Club held its annual novelty ball on New Year's Eve and although it was not so largely attended as in previous years, those that did turn out voted it one of the best and most lively dances held here in a long time. President Al Finerty, ably assisted by Thos. This and an energetic committee had everything working smoothly and in a very short time had the dancers in a happy mood which increased with each dance until the midnight circle-one-step was announced when it seemed that Beilum had broken loose. The committee had a big supply of paper hats, horns, ticklers and serpentine on hand, and this was opened up for dancers and for awhile the dance was turned into a carnival as they tested their lung power on the horns and pelted each other with serpentine. When the time for ushering in the New Year arrived everybody joined hands in the big circle and to the accompaniment of the Gray orchestra joined

SERVICE NOT SERVITUDE

Has it ever occurred to you that the multitude of "Household Helps" offered for sale are of themselves lifeless and incapable of service unless controlled and directed by the already overburdened housewife.

Laundry service alone is alive, vital, imposing no new obligations, and asking nothing but your friendly disposition, to change servitude into service. May we call?
