STEWART

The Titan Gold Mining Co., which has taken over the Titan Syndicate on Fish Creek, elected officers last week as follows: president, S. P. Fitzgerald; vice-president, R. J. McDonell; secretary, J. O. Lyon; treasurer, John Fitzgerald. Jack Fitzgerald will be manager and development work is to be commenced almost immediately.

M. P. Boag, a mining man of wide experience, has arrived here from Sooke to join the Ruby Silver staff.

The approach to the old Stewart wharf is being repaired by local businessmen.

Mrs. William Dann has returned from Vancouver where she spent the winter.

Jack Sherman has arrived from Prince Rupert and will run a derrick at the bridge for the government.

M. Gaetz, for many years with the Trail Consolidated, has arrived here to be foreman at the United Empire.

Called south on account of the dangerous illness of her daughter, Miss Lois Comer, who is in training for a nurse at the Vancouver General Hospital, Mrs. Harry Comer left last week for Vancouver.

C. W. Lee and family have arrived from Seattle and will spend the summer at Hyder. Mrs. Lee is a daughter of Clay Porter.

Major A. W. Davis, formerly manager of the Dolly Varden mine at Alice Arm and more recently resident mining engineer at Kamloops but now retained by A. B. Trites, arrived here last week and will have charge of development work at the United Empire.

Mr. and Mrs. Pederson have arrived here from Tacoma. Mr. Pederson, who was formerly at Prince Rupert, will be manager of Jake Hawkinson's laundry.

Dennis O. Dighton has arrived from Cowichan and will be associated this season with Dalby Morkill in survey work in the district.

Mrs. B. Lewis has returned here after spending the winter in Vancouver. She was accompanied by her grandson.

Henry Horstman has returned here after spending the winter in the south.

A. B. Trites has leased the depot of the Portland Canal Short Line as headquarters for his engineers and clerks connected with his mining operations in the district this season.

HAD BOILS ALL OVER HIM

There is only one way to get rid of boils and that is by going right to the seat of the trouble—the blood—as the bad blood must be made pure before the boils will disappear.

BURDOCK BLOOD BITTERS

cleanses the system and removes all the foul matter from the blood in a way that few medicines will do.

Mrs. Chas. Rankin, Bulyea, Sask., writes:—"A few years ago my husband had a terrible time with boils. On one arm he had 16 between his elbow and wrist; five on the back of his neck, and several more on different parts of his body. He tried everything he could think of, but got no relief until he took Burdock Blood Bitters, and to his surprise it completely relieved him of his boils, in a very short time."

B.B.B. has been on the market for the past 46 years; be sure you get it when you ask for it; put up only by The T. Milburn Co., Limited, Toronto, Ont.

TERRACE NOTES

Mrs. Hipp who made a trip to Rupert last week returned Monday.

Charlie Durham of Usk visited Terrace early in the week.

R. Harlow is spending a few days in town.

Mr. and Mrs. A. C. Fowler went down to Rupert Saturday. Mr. Fowler returned Monday but Mrs. Fowler expects to spend a couple of weeks there.

Mr. and Mrs. Thompson of Rupert came up on Monday to open their summer home.

The businessmen of Terrace held a meeting on Tuesday evening to plan for the entertainment of the Vancouver Board of Trade on its visit here.

Mrs. J. K. Frost is spending a few days in Prince Rupert.

Jimmy Lever met with a slight accident when he cut his foot while fighting fire at Copper City.

The losing organizations in the recent whist-cribbage tournament, entertained the winners Friday evening. Cards and dancing occupied the greater part of the evening but the "stunts" put on by the Rebekahs B.D.'s and members of the G.W.V.A. were novel and aroused much interest. The first organization gave a clever parody adapted to the occasion. The second sang a variation of "Twelve Little Nigger Boys" and for an encore gave a medley of popular songs on kazoos. The G.W.V.A. gave a conjuring stunt in which the war veterans made the appetising food from a heavily laden table disappear in anything but a miraculous manner. Unusually nice refreshments were served at midnight and the dance continued till dawn.

The Ladies Guild of the Presbyterian Church held their annual sale of work and home cooking on Saturday. There was a great variety of dainty dresses, aprons and embroidery and the home cooking counter proved as popular as ever with its cake, bread, cookies and candy. Tea was served throughout the afternoon. The whole affair proved most successful.

A fire on Tony Brousing's place at Copper river called out most of the men around town. The fire was soon under control and is practically out now.

Rural Dean Marsh returned from Hazelton Monday morning.

Sport Chat

Football for the season is already off to a good start in Anyox, four games have already been played. There are three teams in the league—Smelter, Mine and Beach. In last week's games, the Beach lost twice—once to the Smelter and once to the Mine. Eddie Craggs, formerly of Prince Rupert, is a member of the Beach team. The first game of the baseball season will be played today at Anyox between the Mine and Elks.

The tennis court opened at Anyox last week with a progressive mixed doubles tournament in which twelve couples participate. The winners were Mrs. H. Speight and F. C. Townshend who received suitable prizes. There will be another tournament on May 24 taking the form of a mixed doubles handicap.

The baseball season has also opened at Stewart. A week ago Sunday at Stewart there was a game between Hyder and Stewart in which the Alaskans were easy winners. Last Sunday at Hyder in another game the Stewartites showed to better advantage. The next game will be a feature of the celebration on Empire Day. They are expecting a number of visitors from Prince Rupert for the celebration.

BUTCHERS TAKE UP INLANDER CHALLENGE

Are Ready to Lead Boarding House Boys to the Slaughter at any Date they May Set

The baseball challenge issued to the town at large by the Inlander yesterday has been taken up by Howard Frizzell on behalf of the Butchers. All the Butchers desire out of the thing is the victory and are willing to accept the choice of the Inlander as to the date for the slaughter and will also be content to have the proceeds devoted to any cause the Inlander may wish. The gratuitous advice is also handed out to Jimmie Farquhar and his boarding house boys that he had better start at once in getting his gang ready for the fray because the Butchers say they can do quite as effective., though perhaps not as gruesome work with the opponents in a baseball game as they do with the animals in the abattoir. According to the Butchers, the Inlanders will not want to see meat again this summer after they are through with them.
