HEUSTIS THREAT IS RECEIVED AND FILED

Secretary of Lords Day Alliance Gets Short Shrift From Farmers of Saanich

VICTORIA, May 21.—If Saanich fails to take municipal action to stop Orientals and others from engaging in work in their gardens and farms on Sunday, Rev. Charles H. Huestis, secretary of the Lord's Day Alliance in British Columbia and Alberta, will ask the Provincial Police to investigate and act in the matter.

This ultimatum was given to the Saanich Council at its meeting at Royal Oak by Rev. Mr. Huestis, in a letter written from Calgary to the Reeve and councillors, and was received with smiles by member of the council. The threat of the Lord's Day Alliance secretary occasioned great surprise, and the communication was the second to reach the council on the Sunday observance question.

"Received and filed" was the decisive manner in which the Saanich council treated Rev. Mr. Huestis' communication, which read as follows:

Dr. Huestis' Letter

"I have yours of April 28 in reply to mine in which I called the attention of the authorities of your municipality to alleged infractions of the Lord's Day Act within the municipality.

"I note that my letter was received and filed. I judge that this means that no action is to be taken. Would you kindly advise me if I am mistaken?

"If I do not hear from you within ten days, I will hand over the matter to the Provincial Police for investigation and action. We cannot permit matters to be dealt with in this manner."

SAFETY FIRST

Judge—Why did you run down this man in broad daylight on a perfectly straight stretch of road?

Prisoner—Your Honor, my windshield was almost totally obscured with safety first stickers.

TRUE LOVE.

Engine-Driver's Sweetheart — And do you always think of me during your long night trips?

"Do I? I've wrecked two trains that way already!"

"Oh, you darling!"

A formal meeting of the city council was held last night to put through their final readings bylaws permitting of the payment of principal and interest on debenture issues in Vancouver, Victoria and New York as well as other points specified in the original bylaws.
