BUDGET VOTE BY EASTER?

Two Big Features, Freight Rates and Peterson Ship Subsidy, Yet to be Finally Settled at Ottawa

OTTAWA, Apl. 2.—With preliminary fiscal skirmishes over, the government is preparing to press its budget to a final vote before Easter. This is part of the plan to wind up the session much earlier than the date of adjournment last year. This will give parliament all the time remaining after Easter to concentrate on the two main issues of session—freight rates and the Petersen ship subsidy.

No new government legislation will be introduced until after Easter. Almost immediately on the House re-assembling, the government will bring down a bill establishing the single transferable vote system of balloting in all constituencies represented by one member. This will introduce proportional representation to a certain degree as it will give the voter the right to indicate his second choice, if more than two candidates are running. About the same time the government will introduce its legislation to stop handbook betting.

Members are looking forward to adjournment early in June.

LUMBER BUSINESS IMPROVING IN SOUTH

VICTORIA, April 2.—With two ships in port loading lumber for distant parts, mills extending their plants and indications that the market for cedar wood at least will be bigger and better for British Columbia within the near future, Victoria millmen are receiving a little encouragement after a temporary lull. Business lately has not been as good as the timbermen of this island might have wished, but indications are that there will be a betterment.

FASHIONS IN MEN'S HATS ARE AMUSING STUDY IN CONTRASTS

BERLIN, April 2.—Men's hats of olden days afforded the Berlin public much amusement during the recent exhibit of clothing held to contrast the styles of the last 100 years with the styles of today.

High hats, much taller than those worn today, and as shaggy as a Newfoundland dog, appeared in the windows of many haberdashers. Curious straw hats loaned by museums also produced broad smiles among the throngs which gathered about show-windows. Many of these were shaped like old-fashioned silk hats, and were made of bamboo and Oriental grasses.

TRADE CONVENTION FOR ALL COUNTRIES ON PACIFIC OCEAN

NEW YORK, April 2.—American business bonds with the Orient, where American foreign trade has increased by 400 per cent since 1913, will be further strengthened this year by the coming of delegations from six foreign nations bordering on the Pacific to the Twelfth National Foreign Trade Convention, which is to be held at Seattle, Washington, June 24, 25 and 26, according to an announcement given out by National Foreign Trade Council. Founded in 1914, the council is now to hold the first of its yearly conventions in the Pacific northwest. The theme will be "Foreign Trade Essential to Prosperity."

MAYFLOWER PROTECTED MASSACHUSETTS STATE

BOSTON, April 2.—A bill for the protection of the Mayflower has been signed by Governor Fuller. It provides that "any person who pulls or digs up such plant or any part thereof except insofar as is reasonably necessary in procuring the flower therefrom, within the limits of any state highway or any other public way or place or upon the land of another person without written authority from him, shall be punished by a fine of not more than $50; but if any person does any of the aforesaid acts in disguise or secretly in the night time he shall be punished by a fine of not more than $100."

BRASS TOO COSTLY FOR BRITISH HOMES

LIVERPOOL, April 2.— Brass work, with which the front doors of most British homes have been adorned for centuries and which contributes to the furnishings of numerous offices, is going out of fashion because of the expense involved in keeping the fixtures shiny. Many new buildings in Liverpool and elsewhere in England are going up without brass or copper decorations.

WALKED THE FLOOR FOR HOURS NERVES WERE SO BAD

Wherever there are people who are troubled with deranged nerves they will find in Milburn's Heart and Nerve Pills a remedy that will restore the equilibrium of these deranged centres and bring back the shattered nervous system to a perfect condition.

Mrs. W. W. Anthouse, Woodrous, Ont., writes:—"After having a severe attack of bronchitis I was left in a very weak, run-down condition; my nerves were all broken up; could not sleep at night, and would have to get out of bed and walk the floor for hours.

"After using a box of

MILBURN'S HEART AND NERVE PILLS

I began to feel much better, and after taking a few more boxes I could enjoy my rest as well as I ever did. I always recommend them to all my friends."

HOSELESS WOMEN IN RIO DE JANIERO IS EFFECT OF FASHION

RIO DE JANEIRO, April 2. — The American fad of biege-colored hose for women has hit Rio with amusing results, due to the fact that the new style became popular here at the height of the bathing season.

The beach-tanned arms and the beige stockinged ankles are often so nearly alike in color that it was frequently thought hoseless days had arrived.

A Marshall Neilan production. An adaptation of Thomas Hardy's famous novel. A story of the double code of morals—of a child of nature and the social law. From the moment when, in youthful innocence, Tess is betrayed to the terrific climax when she wrecks vengeance, she will hold you absorbed with the intensity of truly great drama. A masterpiece of literature that has become a masterpiece of both stage and screen.
