MOUNTAINS TEMPT LOVER OF OUTDOORS

ONE of the finest Alpine territories to be found anywhere on the North American Continent is that surrounding Mount Robson, (13,685 ft.), highest peak in the Canadian Rockies. Here the visitor finds magnificent peaks, awe-inspiring glaciers and delightful Alpine valleys with their magnificence of wild flowers to charm the heart of the nature lover. In 1924 the Alpine Club of Canada held its annual camp on the shores of Berg Lake, shown above, and members of that organization, many of whom have climbed in different parts of the world, were unanimous in declaring that Canada held no more splendid Alpine and scenic territory than this.

Nor is it necessary that the visitor be an experienced Alpinist to enjoy the beauties of the Mount Robson district, for there are within a short distance of the Berg Lake bungalow, splendid peaks which are easily enough in ascent for the tyro and yet offering splendid views of the surrounding Alpine lands.

The photograph shows Mount Robson, the monarch of the Canadian Rockies, and Berg Lake, so named because of the icebergs which are constantly floating on its surface. Beneath is one of the Swiss guides from Jasper Park Lodge, coiling his rope in preparation for leading an ascent on Mount Robson, while to the right he is shown making his way round one of the difficult ice peaks of the club.

Ponies and guides are available at Mt. Robson station to conduct tourists from there over the magnificent Robson Trail to Berg Lake, where comfortable bungalows are maintained, which provide an excellent starting point for many wonderful excursions into the higher passes. —C.N.R. Photo.

NATIVE SONS TO ORGANIZE HERE

Meeting Last Night Decided to Apply for Charter — Past Grand President Speaks

An assembly of the Native Sons of Canada is to be formed in Prince Rupert. At a well attended meeting in the Emad Hall Carson, who arrived here on last night, after R. H. Carson of the Native Sons of Canada, had delivered an address, a resolution was passed that steps be taken them in a very flourishing condition and he is satisfied that sufficient names were then secured to obtain a charter and form a strong assembly here. Steps in that direction are at once to be taken. The meeting by his wife and they will proceed was presided over by Harry Brown.

In the course of his address, Mr. Carson gave a resume of the aims and objects of the Native Sons of Canada. The organization had had its inception in Victoria and there were now some 35 or so assemblies in British Columbia and Alberta. An endeavor was being made now to make it a Canadian national organization by linking up with bodies in the east having similar objects.

Mr. Carson has just returned from a trip as far east as Montreal. He stated that he had found in all centres of the east that thinking Canadians were very interested in the movement

"LOVE'S WILDERNESS"

A beautiful star in a beautiful photo-play. A different Corinne, more gorgeously gowned, more radiantly beautiful, more appealing than ever, as an innocent bigamist. A fast moving drama that carries you from sunny Louisiana to the Canadian wilds and ends with a crash in the Malay jungles. The story of a lovely girl who found herself with two husbands and made the most courageous decision of her life during the menace of a tropical storm. Love is a wilderness for most women—Corinne throws a light across it for all sweethearts. Many exciting scenes and novel incidents. Superb cast.
