TOURISTS ARE COMING HERE

More than Ever Before to Visit Jasper Park this Year Says Official

WINNIPEG, March 21.—California people are only awaiting the coming of the tourist season to invade the Canadian Rockies in greater numbers than ever before, declared Walter Pratt, general manager of hotels, sleeping and dining cars for the Canadian National Railways, on his arrival here yesterday. Mr. Pratt is on his way to Montreal after a visit to a number of the southern tourist resorts and stated on arrival here that he found greater interest among Americans in the Canadian Rockies than he had ever previously seen. "The charms of the Northern Rockies and of Jasper National park and Mount Robson park have become so well known down there," Mr. Pratt declared, "that there is no question but what the coming summer will see a tremendous influx of wealthy Americans to spend their holidays in our country."

Insofar as Jasper Park is concerned, Mr. Pratt stated that he believed with the new attractions of the golf course and the swimming pool this attractive resort would prove a greater drawing card than ever before. "The number of applications we have already received for reservations for large and small parties show that the Canadian National Parks will handle almost twice as many tourists in 1925 as in any previous season."

Mr. Pratt left for Montreal via Toronto this evening accompanying S. J. Hungerford, vice-president in charge of operation for the Canadian National system.

HEART TROUBLE SHORTNESS OF BREATH

Mrs. Geo. E. Bowman, Morrisburg, Ont., writes:—"I am writing you a few lines to let you know of my experience with Milburn's Heart and Nerve Pills. Two years ago I became very poorly with my heart and nerves and whenever I took the least little bit of exercise my heart would start to jump and flutter. I could not walk up-stairs without having to sit down and rest before I was half-way up, on account of my breath becoming so short.

I commenced taking

MILBURN'S HEART AND NERVE PILLS

and in no time I felt a great improvement, and can now heartily recommend them to all those who are troubled with any affection of the heart."

H. & N. Pills are for sale at all drug and general stores; put up only by The T. Milburn Co., Limited, Toronto, Ont.
