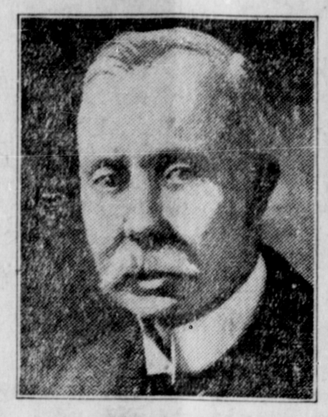
TORTURED BY A "DEAD" STOMACH

"Fruit-a-tives" bring relief from Chronic Constipation



MR. FRED LUDLOW

"For a great many years, I was a martyr to Constipation and Indigestion; nothing I tried ever did me any good. I was induced to try "Fruit-a-tives" and they brought relief with the first tablet; and by taking this splendid medicine at regular intervals, I suffer no more. I CAN NOW EAT ANYTHING WITHOUT FEELING THE SLIGHTEST PAIN OR DISCOMFORT AFTERWARDS."

So writes Mr. Ludlow, a former U. S. Vice and Deputy Consul in Great Britain, and now of 161 West 36th Street, New York.

Thousands have been relieved of the miseries of Constipation and Indigestion by "Fruit-a-tives", the famous natural remedy made from the concentrated and intensified juices of fresh oranges, apples, prunes and figs. 25c and 50c at all dealers.

The flag over the City Hall has reached a state of dilapidation just such as caused so much criticism recently about the Court House flag. Barely a ragged half of it now remains to brave the breezes. It is to be hoped there will not be so much red tape involved in getting a new flag for the city as there was for the government.

The Man in the Moon SAYS:-

THERE are some people you couldn't libel even if you told the truth about them.

VANCOUVER has a Laurier Club, and now she is to have a Sir John A. Macdonald Club. They are designed to educate people in regard to the principles advocated by those great statesmen. The next step should be to form a Prince Rupert Club to educate them in regard to Prince Rupert.

SOME people are permeated with affection but they show it chiefly in loving themselves.

IT has just leaked out that several local ladies when considering what they would give up during the Lenten season decided on dispensing with a chaperon until Easter. By that time it is expected a habit will have been formed which may become permanent.

IT seems to a rank outsider as if the strong Silent man who is alleged to be head of the United States government, lost a little strand or two of his Samson strength the other day in his bat with the Senators.
