LEEDS WILL OPERATE CIVIC THEATRE WITH COLLECTIONS TAKEN

LEEDS, Eng., April 29. — A theater devoted to the "production of intelligent drama" is to be run here and no charge for admission will be made. It is to be called the Leeds Civic Theater and many leading citizens have promised their support. The expenses will be met, it is hoped, by collections to be taken at each performance.

It is the contention of the promoters that performances of "little theaters" on a subscription basis, or with necessarily restricted audiences, are in danger of becoming unrepresentative in character.

Five productions will be given at the Civic Theater during the winter months and it is hoped to get 5,000 people to attend each of them.

ENGAGEMENT RING GIFT NOT TRUST

Frisco Man Charges Ex-Finace With Embezzlement—Fails to Establish Case

SAN FRANCISCO, Apl. 30—An engagement ring is a gift and not a trust, and if the fair recipient retains possession of it she is not guilty of embezzlement, it was ruled here recently by a police judge.

Louis H. Peterson asked the court for a warrant for the arrest of his former fiancee, Miss Dorothy Howard, on a charge of embezzlement, asserting she had retained ownership of a diamond ring he had given her when Miss Howard promised to become his bride. He said they subsequently had abandoned their plans and that Miss Howard refused to return the ring.

"My clothes used to be yellow - now they are snowy white"

"I always had trouble with my clothes—they used to come out so yellow. Then a friend told me about Rinso. I found it makes a wonderful soap solution. This removed every bit of dirt and then it all rinsed out completely. There was nothing left to yellow the clothes—as there was no soap to stick—it was all dissolved.

"I am now delighted with my wash—my clothes are always snowy white."

—A letter received by the makers of Rinso.

Just shake some Rinso into a saucepan, add hot water, and you'll get the wonderful soapy solution that is the only soap you need for your set tubs, your boiler, your washing machine. Rinso *soaks* dirt out.
