ORGANIZING KU KLUX KLAN IN WINNIPEG CITY

WINNIPEG, April 15. — The Ku Klux Klan has made is appearance in Winnipeg. While the organization of the hood and fiery cross has not taken definite shape here, petitions for membership have been circulated.

High speed salesmen are in the city putting across a brand of "pure patriotism" to which they alone claim to have the key, at $10 per put. They also take. No address except "the authorities" is given on the petition.

Included among the questions, which must be truthfully answered is one: "Does your father speak the English language fluently." Your telephone number and wife's religion also appear to be important. Whether you have been divorced and why, the color of your eyes, your present church affiliation, your weight and height, and others.

Meanwhile His Nibs, the Grand Imperial Wizard of the Order, from his secret Kave in Atlanta, Ga., waves his embroidered robes wildly and hotly announced that the Canadian organizers are "the bunk" and have no connections with the old firm.

SLUMP IN POTATOES NEW YORK STATE

MALONE, N.Y., April 15. — Scores of Adirondack and North country farmers are now feeding their stock on potatoes which had been stored for months in the hope of higher prices.

Not in years has the potato market been so hard hit as during the past winter. The tubers form the principal crop at many of the mountain farms, whose owners have lost heavily because of the low price and lack of demand for stored potatoes.

LOSS OF DIRIGIBLE DUE TO RADIO WAVES

That is Theory of Dr. Terada of Tokio University

TOKIO, April 17.—Dr. T. Terada, science professor in Tokio University, says that the destruction of the dirigible SS3 last March with the loss of her crew, was caused by a broadcast radio wave.

Dr. Terada was a member of the board appointed to investigate the explosion, and after it had ended its labors without finding a theory, he continued his experiments. Coating a miniature of the airship with the aluminum paint that was used on the SS3, he found that radio waves directed against it produced sparks measuring nearly an inch, and while he has not fully disclosed the nature of the experiment and its results, he expresses his conviction that he has found the cause of the disaster.

ONLY ONE CURE FOR GARLIC ODOR

WASHINGTON, April 15. — The best method of eliminating the odor of garlic from the breath is to refrain from eating it, Department of Agriculture scientists have determined after a long study of the question.

The inquiry was instituted after several parties had appealed to the department for a solution of the problem of a garlicky taste in milk from a cow which had eaten garlic. Now the experts announce that the only thing to do is to keep the cows away from the weed, in which they revel.

HUNGRY RATS REBEL AT DIET OF VITAMINES

BERKELEY, Cal., April 17. — Some white rats, under observation for the effects of a newly discovered vitamine, recently tipped over their cages in search of food and, seeing nothing else handy, started in to devour the record book of their activities made in the household science department of the University of California.

When the class conducting the experiments gathered next day, the record book was found in bad shape. Several valuable pages had been chewed out. The rats were still milling around looking for something more edible.

A STRANGE PROPOSAL

A young Scotsman fell desperately in love with a charming girl, but could not screw up enough courage to ask her to be his wife. One day a brilliant idea occurred to him. He took her to the local churchyard, and, pausing before a large tombstone, said:

"Jean, ma grandfather is buried here, ma faither is buried here, an ma mither is buried here—in fact, a' ma folks lie here. Wud ye no like tae lie here ta?"

The lady said she "wud!"

So they were married.

Rev. Oliver Thorne of Aiyansh returned to the Naas River on the Venture this afternoon.

Sun and Wind Bring Out Ugly Spots. How to Remove Easily

Here's a chance, Miss Freckleface, to try a remedy for freckles with the guarantee of a reliable concern that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Be sure to ask the druggist for the double strength Othine as this strength is sold under guarantee of money back if it fails to remove your freckles.
