NERVOUS WRECK FROM BOWELTROUBLE

Ten Years of Suffering Ended by "Fruit-a-tives"

MR. F. M. SULLIVAN

"For over ten years, I was a complete nervous wreck, owing to severe Bowel Trouble and Acute Indigestion. Though a big man, could hardly lift the smallest weight without suffering pain. As a last resort, I started using "Fruit-a-tives." Like a cloud, the nervousness left me after using the first box. I use the tablets according to directions and follow carefully your diet rules. The result is, today I am free of Indigestion and Bowel Troubles, and cannot recommend the wonderful Fruit Treatment too highly."

Thus writes Mr. Sullivan of 19 Pine St., Geneva, N. Y. "Fruit-atives" are made from intensified juices of luscious fruits - there is no other medicine like them. 25c & 50c at all dealers.

Here and There

Under the joint, Canadian-British Government scheme, 3,000 families are being brought to Alberta this year and the first party of families will arrive in April. They will first be guaranteed employment and later will take up their own land.

Henry E. Suckling, Treasurer of the Canadian Pacific Railway since 1908, died recently at Atlantic City after an illness of several months. He was born at Gibraltar in 1851 and had been associated with railways in a treasury capacity since his early manhood.

J C. Mitchell, of Dahinda, Sask., known as the "world's champion wheat grower" returned home recently from a lecture tour of the British Isles. "Go West, young man, go West," is his advice to all who wish to try their fortunes in the Dominion.

Speaking at Toronto, Hon. Charles McCrea, Minister of Mines for Ontario, said that the estimated output of the mines of the province this year will be around \$75,000,000. In regard to gold he stated that by 1928 Ontario was expected to top the total production of the United States.

A new Silver Trophy donated by the English Football Association to the Dominion of Canada Football Association for annual competition among Canadian clubs has arrived in Canada and will be on exhibition at Canadian Pacific stations at Montreal, Toronto, Winnipeg and right across the West.

An expedition which will try to climb Mount Logan (19,359 feet) in the Yukon, the loftiest peak in Canada, is to leave Vancouver in April. It will be headed by A. H. McCarthy and Col. W. E. Foster, of Vancouver, and six other gentlemen, including a representative of the English Alpine Club, will complete the party.

Agricultural products in the Province of Manitoba during the year 1924 reached a total estimated value of \$164,312,857, according to figures issued by the Provincial Department of Agriculture. This amount is nearly double that of the previous year and is accounted for largely by the big upturn in the price of wheat.

The shield which was taken from the gates of Old Quebec when the city was captured by General Wolfe, and now in the possession of the town of Hastings, will be returned to the Ancient Capital. The Hastings Council have decided to return the shield which was presented to them by General Wolfe Murray, a descendant of the famous soldier.

Miss Ethel Loginska, temperamental pianist, gave another taste of her quality when she lectured a socially prominent audience for coughing in the middle of a concert at Englewood, N.J. "If you can't control yourselves, please don't stay here," she remarked. About fifteen disgruntled members of the audience left the hall indignantly.

Trail Riders of the Canadian Rockies have developed the idea of using snow shoes for horses over the heavy snow tracks of that region. In this way great quantities of supplies are brought considerable distances across trails that would otherwise be impassable to heavy loads. Trail Orders are holding their second great Pow-Wow early in August next.

Devising a new kind of motion picture camera with a built-in motor that is almost noiseless in operation, Burton S. Moore, proprietor of the Nictau Camps in New Brunswick, has succeeded in taking about 4,000 feet of film of wild life in action which will be shown in due course, on Canadian and United States screens. has been particularly successful in depicting every motion in that special phenomenon by partridges known as drumming.

Over half of last year's western grain crop was handled by the Canadian Pacific Railway according to data just issued by the Dominion Bureau of Statistics. Of the total grain inspections numbering 172,-856 cars during the seven months to February 28 last. 99,237 cars were on the company's lines, representing 571/2 per cent, while of the 130,157 cars delivered at Fort William and Port Arthur during the same period 58,690 or 52.8 per cent are credited to the company.
