CROSS WINNER OF CLUB RACE

Jack Boddie Gets Prize for Handicap Sweepstakes Event with "On Time."

GOOD ROWING EVENTS

Regatta in Harbor Last Night Proves Interesting Occasion for Boating People

The regatta staged last evening by the Prince Rupert Rowing and Yacht Club as an opening for the season's activities proved a very interesting affair which attracted a large crowd to the waterfront. There were many entries in the various racing events all of which were keenly contested. The buffet luncheon served on the point near the club house proved popular and many youngsters cleaned up generous supplies of candies, peanuts, etc.

The three knot handicap race for the Yacht Club cup, which was held by M. M. Stephens' "Triton," was won by H. T. Cross' "Frances C." It was a good race in which some fifteen boats participated and the handicaps were apparently well set. W. W. Wrathall's boat really crossed the finish line first but it was disqualified for having started before time.

The best and most exciting race of the evening was the six mile handicap sweepstakes race for all pleasure boats in the harbor. This was won by Jack Boddie's "On Time" which was 100 yards ahead of four other boats which were about even for second place. These boats were F. P. Quinn's "Nella Lee," Dr. Alexander's "Mate," Dr. West's "Wylo," and C. L. Heindel's "Echo." There were ten boats in the race.

CALLIES EASILY BEAT VETERANS

Score Four to One in Game of Football Last Night

The Great War Veterans made a poor showing in the City League football game last night and were defeated by 4 to nil by the Callies. The Vets, who were one man short throughout and played two half backs, made their first mistake when, on winning the toss, they decided to play uphill against the sun. This allowed the Callies to get away to a good start by scoring three goals in the first half. Sam Curjic put through the opener about fifteen minutes after the start when he successfully converted a corner from A. Mitchell. James Hamilton scored the second and R. Woods, the third. The Vets had a number of breakaways in this half but there was too much individual play and too little combination, the result being failure to finish.

In the second half, the soldiers did even worse and, with the exception of a few breakaways, the Callies monopolized the play. W. Mitchell scored the fourth for the Callies from close in. Sam Erskine made a good try for the Vets with a long shot that grazed the cross bar and went over instead of under.

Tom Jones refereed and the linemen were A. Clapperton and Harvey Hanson. There was a fair crowd in attendance.

The teams lined up as follows: Great War Veterans—Steve Gawthorn; George Cochrane and Frank Hunter; Alex Roy and George Mitchell; Frank Russell, H. Norwood, Sam Erskine, Jack Campbell and Dido Gurvich.

Callies—W. Hamilton; H. Hamilton and M. Andrews; J. Barlis, S. Currie and R. Woods; A. Mitchell, R. McDougall, W. Mitchell, J. Hamilton and J. Andrews.

Rowing Races

The rowing races resulted as follows:

Men's doubles—1, C. E. Starr and C. W. Kirkendal; 2, M. M. Stephens and Alex Macdonald.

Ladies' singles—1, Mrs. Kirkendal; Miss Eileen Stephens.

Men's Singles—1, Louis Amadio; 2, C. E. Starr.

Mixed doubles—1, Mr. and Mrs. Kirkendal; 2, Mr. and Mrs. Alex. Macdonald.

Jack Lindsay was starter for the launch races and S. D. Macdonald, limekeeper, Alex McEae was starter for the rowing races and Jack Lindsay, judge.

The race committee consisted of George Bryant, R. E. Benson and A. Macdonald and the refreshment committee, Jack Lindsay and George Richmond.

Giving the events general supervision were the officers of the club who are: George Rorie, president; A. Macdonald, vice-president; Alex McEae, secretary, and Jack Lindsay, George Bryant, R. E. Benson and Dr. J. P. Cade, directors.

AN INACTIVE LIVER IS THE CAUSE OF CONSTIPATION

When your liver gets sluggish and inactive your whole health suffers.

Your bowels become constipated; you have sick and bilious headaches; your tongue coated and furry; your breath bad; specks float before your eyes, and often you feel as if you were going to faint, especially if in a crowded place where there is little or no ventilation.

When in this condition there is only one thing to do, and that is to take

MILBURN'S LAXA-LIVER PILLS

They will stimulate the sluggish liver so that it will regulate the flow of bile to act properly on the bowels, and thus clear away all the poisonous matter that is responsible for all your liver troubles.

NEW FLOAT AT THE SALT LAKE

Good Work Being Done at Approach to Park Giving Plenty of Mooring

The new float at the entrance to Salt Lake Park is taking shape rapidly and can already be used for mooring boats, although the approach is not yet finished.

The dock is much more substantial than any that has been there before and the slip will be a better one. When it is completed it will be very convenient for pleasure and other boats, all of whom will have equal privileges there.

Some work has also been done at the lake to the floats but the improvements are not quite finished, particularly at the ladies dressing rooms.

PRINCE JOHN IN

Made Quick Five Day Passage up Coast Under Generally Good Weather Conditions

Making a speedy voyage up the coast in spite of the fact that she made rather long stops at Rose and Naden Harbor whaling stations at each of which points 100 tons of coal was discharged, C.N.R. steamer Prince John, Capt. Neil McLean, arrived in port from Vancouver via the Queen Charlotte Islands at 9:30 last night. The vessel left Vancouver at 7 o'clock last Saturday night. Weather was favorable except for a stiff northwest blow between Skidegate and Massett. The vessel brought up from Vancouver the crew of the cannery at Lockport which is to be reopened this season. She had about 25 passengers and a light freight cargo from here.

Sport Chat

Ben Self, president of the Prince Rupert Baseball Association, announces that an endeavor is being made to arrange a baseball game here on July 19 with the team that is coming north aboard the steamer Princess Louise that day with the Knights of Columbus excursion from California. It is expected that the party will spend two or three hours here and possibly longer. If the visitors are willing, a local team will be picked out to meet them.

The Senior league baseball schedule is being advanced one game for the balance of the sea-

son on account of the postponement of the Sawmill-Gyro Club set for last Tuesday. This match will be played tonight and the schedule will be carried on henceforth accordingly. This will be the first game of the season for the Gyros who are confident that their chances are as good as any to pick off the honors for the year.
