At the end of washday—

how old do you feel?

—And a few years of this tiring toil will make you actually as old in appearance as one day's work now makes you feel.

Keep your youth by using our Thrif-T-service. Its cost is very slight, yet your entire bundle will be washed carefully, the flat work will be ironed, and just the wearing apparel left for you to finish. And this comes back to you damp, ready to starch and iron or hang on the line.

May we send for your bundle—next washday?

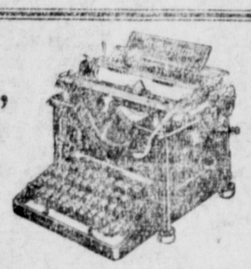
The "Natural Touch"



of the New Quiet 12 Remington lightens the day's work, improves the day's output, and turns typing from a task into a pleasure.

No wonder this latest Remington model is winning the typist everywhere, no matter what typewriter she has used in the past.

And remember that this is only one of the many fundamental improvements of the New Quiet 12

Snowfall, 9.2 inches.

Rainfall, 4.59 inches.

Hours of bright sunshine, 42.

Total wind mileage for month, 5099.

Greatest wind mileage in 24 hours, 751 miles on February 28.

Maximum hourly wind velocity, 54 miles on February 28.

PRINCE GEORGE

The city council is to continue supplying power and light to South and Central Fort George but is giving the residents there notice that it may be necessary to discontinue the service next winter if the power plant cannot supply it over and above the needs of the city.

The Prince George Choral Society held a very successful concert in the Rex Theatre last Tuesday night under the conductorship of H. Hutt of Giscome. Taking part in the program were J. Quayle, Mrs. W. J. Pitman, J. Bexon, Miss Virginia Johnson, Miss Rose Jackson, Miss Young, Mrs. G. Abbott and Judge Robertson.

M. C. Wiggins is back from an extended holiday trip on the outside in the course of which he went as far as Los Angeles.

J. H. Johnson, the local hotel proprietor, is on a trip to Victoria.

Dr. Carl Ewart has returned

BABY'S COLDS

Children's delicate digestions are easily disturbed by too much "dosing." Still, the little ones' cold troubles cannot be neglected.

At the very first sign of croup, sore throat, or any other cold trouble, apply Vicks VapoRub over the throat and chest. There is nothing to swallow—you just rub it on. Colds go over night, croup is usually relieved in 15 minutes.

Mrs. N. of Westminster

Something over two year ago Mrs. N. (now living in New Westminster) moved up the coast where fresh milk was unobtainable. She had never tried canned milk, but being compelled to use it decided to try some of every brand. Pacific came first and she says it was a surprise. Then all the others had their opportunity, only to have her come back to Pacific, which she continues to use even after getting back to town.

We are grateful for such letters as Mrs. N's.

from Gretna, Man., where he was called on account of the serious illness of his mother which resulted in her death.

NEW HAZELTON

The occasion being his eighty-third birthday, Robert Langlands entertained a number of his friends at the home of Mr. and Mrs. John Newick last Monday. There were speeches by Dr. H. C. Wrinch, M.L.A., Mr. Proctor Sr., E. R. Cox and Miss Meiklejohn. Mrs. MacKay sang a solo.

Rev. T. Ferrier is here on business in connection with the Hazelton Hospital. He is the guest of Dr. H. C. Wrinch, M.L.A.

Mrs. W. W. Anderson and her daughter, Roberta, have returned from Vancouver.

Mrs. R. W. Smith has arrived from Vancouver to visit her husband of the Yukon Telegraph service who is a patient in the hospital.

Sport Chat

This week will see the close of the team billiard championship series that has been in progress for the past several months and the commencement of the annual individual elimination series. Tomorrow night the final tournament of the second division will take place between the Prince Rupert Billiard Parlor and the Great War Veterans. There is little chance of the former team being beaten so badly that it would be knocked out of first place in favor of the St. Andrew's team, runners-up. Entries for the individual city championship series close on Wednesday and the first round will start on March 12, the date being set at a meeting of the billiard league executive held yesterday.

The games of the Prince Rupert Cribbage League are being followed with a good deal of interest. Two more sets of games are scheduled—one tonight and the other on Monday next. Seven of the nine teams are still in the running for the season's honors with the preference lying with the Regiment, Orange Lodge, Dry Dock and Elks who are sharing first place. Of course, the St. Andrew's, War Veterans and Sons of Canada also have a chance, they being tied in second place but one game behind. Tonight the following teams will meet: St. Andrew's vs. Dry Dock; Loyal Orange Lodge vs. Regiment; Great War Veterans vs. Elks; Grotto vs. Sons of Canada.

The Prince Rupert High School girls won the first basketball game from Anyox by a score of 17 to 14 on Friday night but the boys lost by 38 to 25, according to word received by Douglas Frizzell. The results of the second games on Saturday night have not been learned. The teams will be home on the steamer Cardena tomorrow.

ANNOUNCEMENTS

Musical evening in Baptist Church, March 26, to 8 p.m. tf

WESTERN MANAGER

THE rapid expansion of the colonization work of the Canadian National Railways in Western Canada, and the excellent results obtained during 1924 under the direction of Mr. E. A. Field, Land Commissioner, have justified the formation of plans for the active extension of this work during 1925, and some staff changes. Formal announcement is now made that dating from January 16th, 1925, Mr. Dan M. Johnson is appointed Western Manager of this department with headquarters at Winnipeg, an appointment which will meet with very general approval throughout eastern and western Canada where Mr. Johnson is favorably known as a first class agriculturalist, stockman and business executive.

Born on the Kinealmeaky farm at Headingly, near Winnipeg, in 1884, which farm was at that time managed by his father, Mr. Johnson in his early years received a very thorough training in agriculture, both theoretical and practical. His studies were pursued at Upper Canada College, Toronto, Ont.; Wycliffe College, Gloucestershire, England; Ontario Agricultural College, Guelph, Ont., and Toronto University, from which institution of learning he graduated in 1908 with the degree of Bachelor of Scientific Agriculture. From this date until 1915 he was busy on the land as a practical farmer at Myrtle, Ontario, and North Battleford, Saskatchewan, gaining in that period invaluable experience of the farmer's problems as they are encountered in actual operation. Having by this time acquired a reputation as a stock raiser, he was in August, 1915, appointed Market Representative of the Dominion Live Stock Branch at the Union Stock Yards, St. Boniface, and in 1918 Supervisor of Stock Yards, charged with the enforcement of the Live Stock and Live Stock Products Act of 1917, and further promoted in 1920 to be Chief of Stock Yards Service for the Dominion Government.

On July 1st, 1923, Mr. Johnson resigned his position with the Dominion Government to become Agricultural Agent for the C.N.R., and was appointed General Agricultural Agent on Feb. 1st, 1924. His wide experience with agricultural, live stock, and land settlement matters, and extensive acquaintance with those directly interested in such matters, will be of considerable assistance in the performance of his new duties, which, in view of the immense importance of active colonization work to western Canada and the Canadian National Railways, affords almost unlimited scope for his activity. Among other features of the work receiving Mr. Johnson's personal direction is that of the Employment Service for farm help which the Colonization Department has organized as a matter of placing newly arrived immigrants in farm labor.

Alex S. Millar, well known Smithers mining man, returned to the city on the Princess Mary Saturday afternoon after having spent a couple of months at Ketchikan. He will proceed to the interior on this evening's train.

The temporary power line from Atlin Avenue for the elevator has been completed and electricity was turned over the line on Saturday. The connection is only temporary and gives a load of 25 horse power which will be used during construction of the elevator.

The many friends of Mrs. David H. Hays, formerly a resident of Prince Rupert, will regret to know that she is still quite ill. Mrs. Hays is now in a small sanitarium at 911 East Villa Street, Pasadena, California where she likes to hear from her friends, notwithstanding her inability to write in response. Mrs. Hays is fortunately able to take short rides.

DANCING

The last course of six adult dancing lessons of this season will commence on Monday at 8 p.m. at 121 2nd Ave. Phone 544. Mrs. H. O. Crewe. 51

No irritation for baby's skin

Do this and keep his clothing soft, pure and comfortable

Nothing is so sensitive as baby's skin! Even the slightest roughness in his diapers, shirts and bands will inflame and irritate it.

Much trouble is directly due to washing diapers with harsh soap—soap containing free alkali. The alkali clings to the little garments in the form of a fine, white powder—almost impossible to rinse out. This causes "diaper rash."

To save baby's skin, use Lux for washing all his clothes. It is the mildest, purest, gentlest cleanser in the world. Lux contains no free alkali, and the pure suds rinse out completely. Lux keeps baby's garments soft, clean, comfortable and safe!

Lever Brothers Limited, Toronto.

How to wash diapers

Remove solid matter at once and soak diapers in cold water. Whisk two tablespoonfuls of Lux into thick suds in a tub of very hot water. Let diapers soak a few moments, then dip up and down, pressing suds repeatedly through them. Rinse thoroughly in three waters.
