## "Won't you play with me?"

THIS little girl is speaking to you from the store windows of thousands of Congoleum merchants throughout the Dominion. She represents the thousands of happy children who have gained their mothers' closer companionship through Congoleum *Gold-Seal* Art-Rugs. For with these rugs on their floors, mothers have more time for their children, more time for the things that every woman enjoys.

**Look for Me!**

From May 8th to May 16th I will be playing in the windows of leading stores wherever you live. Be sure to look for me.

I will identify the authorized *Gold-Seal* Congoleum dealers in your town.

Remember that the Congoleum patterns shown in your dealer's window are but a few of the many beautiful designs on display in his floor-covering department.

Don't fail to look for the Gold Seal when you buy.

Spring cleaning and moving time offer an exceptional opportunity to change from old-fashioned, dust-collecting carpets to easily cleaned Congoleum *Gold-Seal* Rugs. They are far less expensive—will leave you money for draperies and other furnishings—and in addition offer a charming variety of beautiful patterns for every room.

*No Sweeping or Beating*

No wonder housekeepers everywhere are using Congoleum *Gold-Seal* Rugs all through the house. For all the cleaning a Congoleum Art-Rug ever needs is a quick going-over with a damp mop. How different from the tiresome sweeping and beating that woven floor-coverings demand! And how infinitely more sanitary is the smooth, waterproof Congoleum surface.

*Lie Flat without Fastening*

Unlike many woven floor-coverings, Congoleum Art-Rugs are made in one piece. Another advantage: these rugs hug the floor; never curl at the edges, never wrinkle.

*Low in Price—Big in Value*

Value! That's the outstanding feature of *Gold-Seal* Congoleum Rugs. In quality, durability and in range of patterns they are the biggest money's worth in floor-coverings today.
