DAILY EDITION

Wake Up Prince Rupert People.

This morning the passengers from the Princess Louise the old man down the stairs to ordinary routine of daily existwere parading the streets of Prince Rupert from seven o'clock his death. Phil, terrified, sees ence without thought of "acting" and of course those who came up town first found the stores accuser. closed. That was all right. Then a good many arrived about eight or shortly after and still a lot of stores were closed. Probably they did not want to buy much, but every little helps, body of the dead man and as a of a signal tower along the line Also it looks so much better to see people on the job.

In some cities, situated similarly to ours, the stores open and after various attempts, suc- Of course there is a big theme up whenever a boat arrives, even if it is at eleven o'clock in ceeds in reaching his master. - a powerful theme in fact-in the evening. While we do not suggest that they do it here, it The dog carries notes back and "The Signal Tower." The specseems reasonable that any place appealing to tourist business forth between Jack and Barbara tator is filled with understanding should be open at eight in the morning and it would look much Jane, until he effects his mas- just by reason of the innate better if the others were open also.

Freight Rates Are To Be Revised.

Freight rates are to be revised throughout Canada with gentine where his conscience way of numbers of cast and the object of equalizing the rate to the east and west coasts and and fear of the dog as the only hugeness of "sets," but if there also for the purpose of facilitating the export of grain through witness to his crime, have driven be any more majestic setting for Pacific ports. That is designed to relieve the farmers and make him. it easier for them to get their grain to market. It will also mean phil in a dive-convinces him a great deal to Prince Rupert in that it will tend to improve that she has come there to be the grain business with this port.

If rates are equalized it will make practically the whole of Saskatchewan crop available for export through British Columbia at competitive rates. Much of it will not come this way but a great deal will, especially when the market is established. always takes some time to establish new routes of trade.

Dealers Will Now Look To This Port.

Grain-dealers and exporters will now be looking to this port as one means of getting grain to market. Two years ago when Prince Rupert was trying to interest firms in the export busi- by the dog-and Jack. The chase ness from here, one of the prominent buyers stated that just as ends at the edge of a lake, where soon as the freight rates were revised they would be interested the dog attacks Phil, Phil, torn in Prince Rupert. It now seems that the revision is to be and bleeding, pleads with Jack The Man in the Moon brought about and that Pacific ports would come into their own to call off the dog. Jack conso far as the grain trade is concerned. Prince Rupert as one of sents if Phil will confess to the them should benefit wery materially.

Coal Bunkers As

An Investment. It is understood that coal bunkers may be erected here as about to take Phil away, he begs an investment by private persons interested in the coal export for a drink of water. As he business. That looks like a practical development. If the bends over to drink, the dog parties now interested do not go through with the plan, there jumps on his back, knocking ought to be enough people in Prince Rupert who would be glad him headlong into the water. to put up sufficient money to build the bunkers and operate Phil rises, dripping with mud them as a private concern. There is a chance now for some-jand slime. thing of this sort to be done and for Prince Rupert to benefit. Jack, Barbara Jane, and the We have had pretty nearly enough of public ownrship of such dog are reunited in their happithings and it will be a treat to see private persons taking an in- ness. terest in the port.
