
Do YOU realize you are getting OLD?

What are you going to do when you are too old to work? Most old people have to ask others for support, but you can avoid this if you commence NOW to acquire an assured, independent income.

To enable you the more easily to do this, the Canadian Government maintains the Annuities System. On very easy terms you may buy an Annuity of any amount from $50 to $5,000 a year, guaranteed by the Dominion of Canada, which will commence at any age you choose and will last as long as you live. There are plans of purchase under which you may protect the interests of your wife or dependents for a term of years certain. No medical examination is required.

A Government Annuity cannot be seized for debt, is non-forfeitable, and is free from Dominion Income Tax. For further particulars, fill out this Coupon and address it as directed.

HER NERVES SO BAD SHE COULD NOT SLEEP

Mrs. Grace Kitchen, St. George, Ont., writes:—"After having a severe attack of pneumonia I was left in a weak and run down condition. My nerves were so bad I could not sleep nights, and in the day time I had terrible fainting spells, caused by my heart being weak. Finally I got so bad I had to take to my bed for weeks at a time, but one day I read about

MILBURN'S HEART AND NERVE PILLS

so decided to try them.

After taking one box I felt a slight improvement. I have now taken five boxes, and have gained 35 pounds in weight. I am now more than able to do all my own housework as well as considerable outside work. I cannot recommend Milburn's H. & N. Pills too highly for those suffering as I did."
