## VERSUS WHITE BREAD

The confroversy between the relative food values of whole WAS IMPRESSIVE wheat bread and white bread has existed, now for about fifty ears. Scientists and Acctors cannot come to any definite decision on the question. Also the average man or woman is prepared at all times to put forward! the claims of their own favorite type of bread.

The fruth admitted by all. however, is that all bread is a healthful food, provided it is properly made and baked. "Electricbake" bread comes up to this standard - those who use - it boost for it's quality. Made by the Electric Window Bakeries:
