

waterfront shipyards, supply stores and machine shops continue to do a steady business and collections are a great deal easier therefore.

Work on the new provincial government store house on Cow creek has progressed rapidly the exterior painting stage been reached. The building storey one, is of fine construction and is a credit to the

machinery for installation the Swift Canadian new cold building is on the way and the building will be erected by the contractors week.

ovals, this week were: American — Columbia, Oona, Cape Spears, Sunset, Glacier, Swan, Lincoln, Alki, June, Faith, Augusta, Hazel, Resolute, Pan- and J. P. Tod No. 2.

Yo! Ho! And—
Oh! for the joys of a balmy spring,
And rattling motor boat fun,
When Pa gets his whiskers Caught in the wheel
Yo! Ho! and a bottle of rum.

Oh! for the joys of a wet spark plug,
And a battery clean on the bum,
Which will not spark.
For the love of Pete,
Yo! Ho! and a bottle of rum.
Oh! for the joys of turning a wheel,
While the girl looks horribly glum,
With the gas tank empty
As the engineer's head.
Yo! Ho! and a bottle of rum.
Oh! for the joys of returning to port,
With your arms about weighing a ton,
And your shirt just as dirty
As fog under foot.
Yo! Ho! and a bottle of rum.

Nels Nelson has completed considerable repair work on his power boat Wanderer at the Akerberg - Thomson shops in readiness for the initial dash of the season to the west coast of Queen Charlotte Islands on a salmon trolling exploit.

Ed. Poulsen, who started out last week for the trolling grounds aboard his power boat, developed pump trouble upon reaching the mouth of the harbor and was forced to return to port to get it fixed.

The Canadian schooner Prospector A., Capt. Andrew Christensen, while in port last week did repair work to the oil gadgets aboard leaving port over the week end for the high spots.

Another Fine Troller

One of the finest trolling boats on the coast put in an appearance recently when the 36 foot Teklo O., owned by Sam Olson and built by Emil Rosang, came over from Emil's Lewis Island ways. This boat has been built of specially selected cedar and the workmanship throughout is commendable, according to boat owners. A 15 h.p. Bolinder semi-diesel engine will be installed and the lighting system, which will be run from a dynamo and storage batteries, is to be taken care of by the Ward Electric concern. When completed Sam will go out trolling in the vicinity of Hippo Islands.

Nick Nelson launched his new trolling boat from the Cow Bay

HER HEADACHES WERE SO BAD SHE COULDN'T DO ANYTHING

Once the head starts to ache and pain you may rest assured that the cause comes from the stomach, liver or bowels, and the cause must be removed before permanent relief may be had.

There is no better remedy for headaches of every description than

BURDOCK BLOOD BITTERS

It removes the cause of the headaches in a way that no other remedy will do. Mrs. Wm. Helpard, Lower Stewiacke, N.S., writes:—"I suffered for a long time with my head. It would ache and ache until it made me so sick I could not do anything, but after taking four bottles of B.B.B. I feel that I cannot recommend it too highly to all those suffering from headaches of any kind."

B.B.B. has been on the market for the past 46 years and is recognized by all who have used it to be without an equal as a remedy for headaches; put up only by the T. Milburn Co., Limited, Toronto, Ont.
