NEW BOOKLET WELL RECEIVED

Many Compliments and Acknowledgements from Prominent People on the Publication

The Board of Trade received commendations and acknowledgements in regard to the booklet recently published jointly by the city council and the Board of Trade on Prince Rupert as the Pacific outlet to the Peace River country and also giving full data in regard to Prince Rupert and district. The letters read or mentioned at the Board of Trade meeting last night were from Sir Henry Thornton, the agent general in London, the minister of the interior, the minister of railways, the minister of customs and excise, the minister of agriculture, the minister of public works, the minister of defence, the Babson Institute, Shiels Traffic Service, Vancouver Publicity Bureau, Vancouver Tourist Bureau, the Minister of Railways and Canals, the minister of trade and commerce, the Prime Minister, and the minister of justice.

The letter from Hon. Charles Stewart, minister of the interior, is typical. He says: "I have your letter of the 14th instant with respect to the question of a railway outlet from the Peace River country to the Pacific Coast and also the accompanying map showing the various routes to connect with the existing railways, and I wish to thank the Prince Rupert Board of Trade for the suggestions and information submitted.

"Personally, I am interested in any route that will open up this country to the westward. I am not particularly in favor of the route via Brule because I think it would direct traffic eastward before directing it toward the coast.

"I am at present trying to get all the information I can to place before the railway companies and will continue to press for an outlet westward. Farming will never be a very profitable undertaking in this northern part of Alberta until the settlers are furnished with this westward railway extension."

TENNIS COURT DANCE PROVED ENJOYABLE AND PROFITABLE TO HOSPITAL

Large Number Took Part in Jitney Affair Arranged by Regiment Last Night

The jitney dance at the Armories tennis court last night proved a most enjoyable affair. While the evening was cool and many who otherwise would have been out were kept at home, large numbers attended and they had a first rate time. Charles Youngman made an excellent master of ceremonies. The regimental band officiated part of the time, while an excellent orchestra composed of Miss Blanche Curtin, who donated her services as pianist, Messrs. Rood, Eastman and Arthur did their part well, giving the latest dance tunes. Alex. Rix was cashier at the gate. Refreshments were in the hands of the ladies' auxiliary of the regiment and other members of the regiment from Colonel Nicholls down all helped with such good results that the total jitney takings were about $100.

Bandmaster Wilson has much improved the regimental band, the playing of which excited some comment.

HER HEADACHES WERE SO BAD SHE COULDN'T DO ANYTHING

Once the head starts to ache and pain you may rest assured that the cause comes from the stomach, liver or bowels, and the cause must be removed before permanent relief may be had.

There is no better remedy for headaches of every description than

BURDOCK BLOOD BITTERS

as it removes the cause of the headaches in a way that no other remedy will do.

Mrs. Wm. Helpard, Lower Stewiacke, N.S., writes:—"I suffered for a long time with my head. It would ache and ache until it made me so sick I could not do anything, but after taking four bottles of B.B.B. I feel that I cannot recommend it too highly to all those suffering from headaches of any kind."

B.B.B., has been on the market for the past 46 years and is recognized by all who have used it to be without an equal as a remedy for headaches; put up only by The T. Milburn Co., Limited, Toronto Ont.

CITY ENGINEER IS BANQUETED

Presented With Pipe and Pouch by Members of Public Works Staff on Leaving

Prior to leaving for his new position in Toronto City Engineer Pearson was last night the guest of honor at a sumptuous banquet served at the home of Dan Lidstone, when a presentation was made to him on behalf of the employees of the public works department of a fine meerchaum pipe and pouch.

Mr. Pearson was thanked for the courteous treatment extended the employees during the time he had been here and they expressed the wish that he would meet with success in his future career.

The engineer replied in a neat speech in which he spoke of the co-operation of the staff and the valuable help they had been in carrying out his work here.

DISCRIMINATION AGAINST PRINCE RUPERT IN CHEAP SUMMER EXCURSION FARES

(Continued from Page One).

another telegram as follows:

"Under your present tariff a passenger at Montreal, for instance cannot buy a summer excursion to Prince Rupert and return at the same price as to Vancouver. This is clearly unfair. Further a passenger might wish to get to Alaska via Prince Rupert and return, yet you do not give him the benefit of what you claim it costs you to take care of him between here and Vancouver. Your actions are inconsistent. We do not object to the thirteen dollar charge if one wishes to include the boat trip to Vancouver. The fact that it has been in existence since amalgamation is outside the question. We never knew it before. For further discrimination see your advertisement in the June National Geographic. Are we to understand that you refuse to right this wrong? The responsibility cannot be shifted to other railways. Prior to amalgamation we were on the same fooling as Vancouver on excursion rates."

Mr. Nickerson reported that he had sent copies of the correspondence to Fred Stork.

Members Aroused

Then followed considerable discussion in which members of the board took strong exception to the way in which the railway company was treating Prince Rupert. It was pointed out that Prince Rupert had been promised boats and all sorts of things by the railway company. The people here should not lie down under treatment of this kind. It was decided to leave the matter in the hands of the committee with a view to immediate action.

SAWMILL WON AN EVEN GAME

Defeated Gyro Club by 10 to 9 in Senior League Baseball Fixture Last Night

The Sawmill defeated the Gyro Club by a score of 10 to 9 in a closely contested and keenly interesting Senior League baseball game last night. It was a seven inning game and, up till the sixth frame, the Gyro Club was well ahead but the Mill then came along with four runs which captured the victory. Heavy hitting was the feature as the score would indicate. Both sides made ten hits and the Sawmill made four errors to the Gyros' three.

The box score:

A championship tennis tournament among the members of the Prince Rupert Tennis Club is to be started on June 10, William Cruikshank, president of the club announces. The tournament will comprise all events such as men's and women's doubles and singles and mixed doubles. The games will be played on week nights and holidays. Entries will close on June 9.

With the pouring of concrete having started this week, the tennis court of the Canadian National Railway employees in the yard adjoining the wholesale house of F. G. Dawson is taking shape. It is hoped that the court, which will be one of the finest tennis venues in the city, will be ready for use within a week. Men have been working on the preparation of the ground for some time past.

A good deal of interest attaches itself to the forthcoming tennis tournament between the Gyro and Rotary Clubs which has now been definitely set for June 25. Both sides are putting in practice for the match although the teams have not yet been finally selected. Four a side will be chosen from the material offering and their names will be announced in a few days.
