HAD BAD SPELLS WITH HER HEART

Mrs. C. Martin, D.D. No. 2, Orillia, Ont., writes:— "I have been troubled with my heart for a long time and very often had bad spells with it. I would take fainting spells, and my husband had to have somebody to stay with me all the time. He got me everything he could think of to see if they would do me any good, but nothing seemed to help me. One day a friend was in to see me and advised me to try

MILBURN'S HEART AND NERVE PILLS

My husband went and got me two boxes, and after the first one was finished I felt like a different woman. I cannot recommend them enough to all those who suffer with anything wrong with their heart or nerves."

"All druggists handle them."

A MARTYR TO CONSTIPATION

"Fruit-a-tives" brought early relief

MRS. C. W. THOMPSON

"I first heard of "Fruit-a-tives" through a friend of mine living in St. Johnsbury, and as I was troubled with very high Blood Pressure and Constipation, I decided to try the fruit treatment. The result is that I am feeling very much better, and I am glad to recommend "Fruit-a-tives" to anyone". Mrs. C. W. Thompson, Lyndonville, Vermont.

All your physical and mental energy is drawn from your blood stream. If the bowels and kidneys do not function properly, poison enters the blood-stream, and the heart, brain and nerves are all affected. "Fruit-a-tives" clear the system of all waste matter, purify the blood and tone up the whole system. They are made from the intensified juices of luscious healthful fruits combined with tonics. Sold everywhere 25c & 50c.

TUG WELL KNOWN IN PRINCE RUPERT SANK IN FRASER

The tug Tepic, well known in Prince Rupert, crashed into the cement piers of the bridge across the Fraser River at Mission last week and now lies on a submerged bar in the river, having sunk with a gaping hole in her side. Capt. C. Johnson and his crew of seven men had a narrow escape but were successful in scrambling on to a scow from the sinking vessel. It is expected that the Tepic will be raised and salvaged but some difficulty has attended efforts already made in that direction.

LONDON, June 6. — A Ford car flying the Union Jack was touring Wembley last week. It had been "assembled" in the Engineering Palace in the morning in a little over an hour. This exhibition by Manchester workmen of mass production in action attracted a big crowd during the day, and promises to be a star event this year. The assembling of a car is a thing never before attempted at an exhibition.

The Man in the Moon SAYS:—

OF all bad things
The greatest curse
Is going about with
An empty purse.

PEOPLE who have nothing else to recommend them, usually have ancestors.

AN angler fishing on the ship canal bank, above the lock at Sault Ste Marie, had no luck at all. In fact, he had the bad luck to lose a silver dollar out of his pocket into the water. In the evening he decided to return and see if his luck had improved. He started to fish below the lock, and to his great joy he landed a large rainbow trout. On taking the fish home he began to clean it. And what do you suppose he found? The silver dollar? No, only seventy-five cents. A toll of twenty-five cents is charged for passing through the lock.

IT'S easy enough to be happy
When winning a motorboat race
But the man worth wile,
Is he who can smile
When left behind at the base.

IT'S easy enough to be smiling
When the engine's running quite well
But it never feels nice
To get free advice
When you sweat as she's resting a spell.

IT'S easy to be optimistic
In the cool atmosphere of the west
But down East it is hot,
While here it is not,
So I like it out here much the best.

Tonight Only, Saturday

Saturday Matinee, 3 p.m.

An epic drama of mighty events. A photo-play in which the spectator will live the stirring deeds with the rugged pioneers, empire builders, men with hearts of steel, women of heroic mold, who after hewing their way across half a continent to open up the vast ranges of the west, were in turn pushed out by the ever onward march of civilization. This is the momentous story of the last stand of the Cattle Kings and their final gigantic drive across the border with 100,000 head of cattle, their battle with flood and fire and the blazing, killing heat of the desert, seeking a new home with hearts unconquered. A big picture. Historic! Vital! Thrilling!
