Are the Pennies Blocking Your Way

Some women, even though they realize what a waste of time and what a tiring job washing is, still they struggle with washday because they think laundry service is beyond their names.

But if they'd only try our Thrift-T Service they'd know how economical laundry service can be.

Everything washed clean, your flat work ironed, wearing apparel just to iron—and the cost is only 5c per lb. and 1c per piece.

Get rid of washday and you'll have many new hours a week to use them as you wish. You'd like to have them of course, so don't let the pennies stand in the way.

EAST AND WEST

A grocer in the West End of Vancouver told one of our oldest friends that a certain eastern brand of canned milk is nicer than Pacific Milk. She tried two cans. Her letter is almost an apology for what she calls disloyalty to B.C. She says it had neither the richness or flavor of Pacific Milk.

Don't Neglect The Children's Coughs and Colds

Mrs. Wm. W. Card, Bancroft, Ont., writes:—"Last winter my three children had very bad colds, and they would cough all night long, which was very annoying to the rest of the family.

I could get nothing to help them until one night, a friend who was staying with me, advised me to give them

Dr. Wood's Norway Pine Syrup

I immediately got some, and after I had used four bottles of it my children became quite well again, thanks to Dr. Wood's."

Relation of the Liver and Kidneys

Such that each suffers when other deranged—Both regulated by Dr. Chase's Kidney-Liver Pills.

When the liver becomes sluggish or torpid in action, the kidneys have to help out with the work of filtration. When the liver fails the kidneys have all the work to do.

Hence the beginning of trouble is usually biliousness, indigestion and constipation and after a time the kidneys begin to be affected and there comes backache, urinary derangements and kidney disease.

The remarkable success of Dr. Chase's Kidney-Liver Pills is due to their unique combined action on the liver, kidneys and bowels. They get at the cause of trouble and remove it no matter how complicated it may be. Promptly and thoroughly they cleanse the bowels or intestines, arouse the liver action and thereby relieve the overworked kidneys.
