RUPERT BEAT ANYOX AGAIN

Deciding Baseball Game of the Series Resulted in Local Victory by 9-to-4 Score

Prince Rupert won the third and deciding game of the baseball series with Anyox yesterday afternoon by a score of 9 to 4. Dan Lidstone pitched a steady game for the home team and had one strike-out to his credit in each of the nine innings. He was accorded good support with Stan Moran playing a particularly good fielding game at second. Jack Cody, captain of the Anyox team, who played behind the bat in the first two games, took the mound for the visitors but proved no problem to the local batters. Dooly Dean was catcher.

Off with a Bang

Anyox started off with a bang in the first inning and made four hits—two of them two-baggers, by Cody and McDougall—with the result that three runs were scored. Not the least daunted, the locals came to bat in the second half of the inning and made two runs, Farquhar and Balfour making two-base hits. Dan Lidstone, the local hurler, got down to business in the second inning and held the visitors until the seventh hitless and runless. In the meantime, the locals again scored twice in the second through three-base and two-base hits by Farquhar and Vallance respectively. Prince Rupert added another run in the fifth as a result of two safe hits and two more runs in the seventh. There was a double play from Farquhar to Moran to Menzies in the seventh. In the eighth an error resulted in two more runs for the locals. With the score standing 9 to 3 against them, the smelter town players came to bat for the last time in the ninth and touched Lidstone for three hits, but were only able to make one run out of it.

Soon after the start of the game, Rabideau, catcher for Prince Rupert, suffered a painful injury to a finger and had to leave the game for medical attention, being replaced by Dave Balfour, who played the position with his usual effectiveness for the balance of the game. In the eighth inning, Jimmie Farquhar was hit on the leg by the pitcher while at bat, and Chet Schlenker finished the game at third for him.

P. Laporte and Ralph Smith were umpires and the game was watched by a large crowd of fans which filled the stands to capacity. A substantial collection was taken up in place of the usual admission.

The teams lined up as follows:

Anyox—Brown, ss; Smith, cf; Sheen, 2b; Cody, p; McKeown, 3b; McDougall, 1b; Beaulieau, rf; Dean, c; McColl, lf.

Prince Rupert—W. Mitchell, lf; Moran, 2b; Frizzell, cf; Jones, rf; Rabideau, c (Balfour after first inning); Menzies, 1b; Farquhar, 3b (Schlenker after the eighth); Vallance, ss; Lidstone, pitcher.

Score by innings:

	1	2	3	4	5	6	7	8	9

OCEAN FALLS WINS SOCCER

Defeated Prince Rupert for Second Time Saturday Afternoon and Captured Championship Cup

Again outplaying the locals, the Ocean Falls football team defeated Prince Rupert by two to nothing in Saturday afternoon's game and captured the Fair Board's cup, significant of Northern B.C. soccer championship.

It was Ocean Falls' game all the way. The visitors had the play in their control and excelled the locals in combination. O. K. Lord scored the first goal for the paper town in the first half off a penalty, and W. Smith made the second for the visitors in the second half—a close shot.

The game was featured with a good deal of roughness, and three or four men were knocked out and forced to leave the field for a few minutes.

Tom Jones refereed, A. Clapperton and F. Woram were linesmen, and the teams took the field as follows:

Ocean Falls—W. Marshall; O. K. Lord and R. Main; J. Gunn, L. G. Best and W. Chapman; J. Paul, T. Faichen, J. Munro, W. Smith and W. Mitchell.

Prince Rupert—A. H. Howlett; S. Erskine and D. Jack; J. Harris, D. Scott and R. Woods; F. Russell, R. McDougall, C. Wiper, W. Mitchell and G. Norrington.

JAPANESE WRESTLER FLOORS LOCAL BOXER

Mixed Wrestling and Boxing Bout Was Staged Saturday Night in Empress Theatre

The mixed wrestling-boxing bout on Saturday night in the Empress Theatre between Professor Takahashi of San Francisco and Brick Skinner of Prince Rupert resulted in a win for the Jap in the second round when he pinned the local man down with a double wristlock. There were preliminary boxing exhibitions between Herbie Morgan and Joe Chenoski and Ted and George Howe. George Cochrane refereed the main event and P. Laporte, the preliminaries.

Sport Chat

Prince Rupert's Fair eek visitors have come and gone and now it might be in order to make a few observations as to how we found them. On the whole a spirit of good fellowship was observed among all the players although there might be a few criticisms as to how some of the visitors behaved. Certainly as far as three of the four teams that were here during the past ten days were concerned nothing but the highest praise can be give nas to the way they conducted themselves when things were going against them — the time that real sportmanship is put to the test. One of the visiting teams was inclined to grouch and express its feelings perhaps a little too forcibly. This certainly did them no good and did not raise them in the estimation of their hosts. Having made our observations as to the strangers that have been in our midst, it might be well for us to take stock of ourselves so that when it comes time for us to do the visiting our conduct may be such that our hosts may also judge us a bunch of "good sports" and not an aggregation of "crabs."

The making of suitable arrangements for visiting sporting aggregations during Fair Week has always been more or less of a vexed question in Prince Rupert, though it was carried out better this year than in the past. No doubt there has always been the desire to treat our visitors in the best way possible but, with the rush of Fair Week, plans have sometimes miscarried. The visitors have sometimes found time hanging heavy on their hands and have not known which way to turn. The suggestion made by Ben Self, president of the Fair Board, that an official be appointed and paid to take charge of arrangements for accommodation and entertainment of visiting teams would seem to be a good one. n that way any dissatisfaction ought to be removed and there would always be somebody to see that things were going smooth.
