Thirty of Party Visiting Stipe Lake District Make Purchases and will Bring Families

ada today is the land of opportheir problems wisely and squarely, and this together with your fertile soil and splendid wheat growing climate makes Canada the best bet in farming now and in the years to come ' This opinion was expressed this merning by a group of thirty American farmers on their return from a journey to the Snipe Lake and Eston districts of Saskatchewan for land seeking pur-

During their visit to Canada the members of the party, who were brought to the west by the Agricultural and colonization department of the C.N.R., purchas- (liquid). ed thirty three farms in the Eston, Snipe Lake and Tyner disicts of Saskatchewan. Pleased With Performance of Drumrock-Will Make Monthly Trips to Rupert

Unloading of one million feet Spruce Mills from the Hecate Straits Towing Co.'s log carrying barge Drumrock will be completed this evening and the vessel will then be taken to the dry dock where some minor adjustments will be made. On Saturday morning, the barge is to be taken back to Logan Inlet to load logs for Powell River.

Commander B. L. Johnson, head of the Hecate Straits Towing Co., who made the trip to Prince Rupert aboard the Drumrock on her initial trip, stated this morning that he had been pleased with the very satisfactory performance of the Drumrock. She had made the passage! from Logan Inlet to Prince Rupert at an average speed of seven knots, a speed it was intended to maintain regularly.
