## FOOTBALL GAME ENDED IN DRAW

**Callies and Select Team Scored Three Each in Successful Benefit for Injured Player**

One of the largest crowds of the season attended the football game staged at the Acropolis Hill grounds last night for the benefit of E. Bye, Cold Storage player, who is incapacitated as a result of injuries sustained while playing during the season. The contenders were the Callies and a picked team from the line-ups of the Sons of England and the Cold Storage. The final score, after a good clean game which was contested with vigor, was three all. The proceeds, it is expected, will realize in the neighborhood of \$200. This amount will go to Mr. Bye to meet expenses apart from hospital and doctor's fees, which are paid by the association from the Stuart Benefit Shield Fund.

The Callies opened the scoring on the upgrade in the first half through Dave Scott and Wiper equalized for the select team. This was all the scoring in the first half. W. Mitchell got the second for the Callies and A. Mitchell, the third. From this on the Callies had the best of things and it was carelessness on their part which allowed the select team the two goals that tied the score. Wiper got the first of these and J. Johnson, the second. There was no scoring during the last twenty minutes of the game.

G. Krause was referee and A. Clapperton and H. Worsfold acted as linesmen. The line-ups were as follows:

Callies—E. McLean; M. Andrews and W. E. Williscroft; J. Bass, S. Currie and R. Woods; A. Mitchell, R. McDougall, D. Scott, W. Mitchell and W. Hamilton.

Sons of England and Cold Storage—A. Murray; G. Howe and D. Jack; H. Hanson, A. Bates and A. Dickens; F. Russell, S. Erskine, C. Wiper, J. Johnson and C. Norrington.

able prizes which will make the events of the day tangibly worthwhile. As far as the arrangements are concerned, everything possible has been done. Success now depends on the good graces of the Weather Man.

Wednesday evening of next week has been definitely set for the boxing match here between the two Alaskan middle-weights, Joe Manila of Ketchikan and R. Collier of Juneau. A good deal of interest is being manifested in the encounter and there will undoubtedly be a large crowd of local fans on hand to see the bout, which will probably be a ten-round affair to a decision. Joe Manila is pretty well known to local people, though he has never been in action in the city before. Collier is not so well known in Prince Rupert, but he is said to have worked up quite a reputation in Alaska as a boxer.

A wire was received this morning from M. Swan, manager of the Ocean Falls football team, that he and his aggregation would arrive here next Wednesday morning on the steamer Prince George. The telegram also requested that the Football Association arrange to have G. S. Russell referee the series here if possible. Accordingly it has been decided that Mr. Russell will referee the first game on Thursday. It will be decided at a meeting of the association this evening who will referee the second game, and the line-up of locals for the series will also be picked. The first game of the series will take place at 4:30 Thursday afternoon and the second at 2:15 on Saturday afternoon.

G. Krause was referee and A. Clapperton and H. Worsfold acted as linesmen. The line-ups were as follows:

Callies—E. McLean; M. Andrews and W. E. Williscroft; J. Bass, S. Currie and R. Woods; A. Mitchell, R. McDougall, D. Scott, W. Mitchell and W. Hamilton.

Sons of England and Cold Storage—A. Murray; G. Howe and D. Jack; H. Hanson, A. Bates and A. Dickens; F. Russell, S. Erskine, C. Wiper, J. Johnson and C. Norrington.

**Prince Rupert Defeated New Metlakatla by Score of 34 to 28 Last Evening**

Though both teams were out of practice, as might be expected at this time of the year, a good game of basketball was put up last night between Prince Rupert and New Metlakatla, the locals winning by 34 to 28. The game was energetically contested and quite interesting.

Prince Rupert started the game with a team consisting of A. Mitchell and D. Frizzell and W. Lambie. Menzies and Art Phillips. Ten minutes after the start another team comprising V. Menzies and Eddie Smith and Dave Balfour, Chet Schlenker and W. Mitchell was put in. At half time the score was 20 to 10 in favor of Prince Rupert. There was another switch in the complexion of the local line-up for the second half when the team consisted of V. Menzies and D. Frizzell and A. Mitchell, Chet Schlenker and Art Phillips.

The Metlakatla team throughout consisted of Buckert and Brendible; Dundas, Lang and Sanderson. Brendible was the heavy scorer for the visitors. The game was referred by Eddie Mann.

Following the match, the New Metlakatla orchestra furnished music for another delightful dance, which was in progress until midnight.

W. H. Derry presided at the door for the evening.

Ben Johnson and J. H. Meagher, charged with intoxication, were each assessed \$25 in the city police court this morning.

### CONFIDENCE IN FRED STORK IS EXPRESSED AT LIBERAL MEETING—CONVENTION DELEGATES CHOSEN.

(Continued from Page One).

Conservatives came into power, Prince Rupert had enjoyed its greatest prosperity. With the change in 1911 it seemed as if a blight had fallen on the place, and this continued until 1914, and even after the war. Prince Rupert had not gone ahead again until after the Liberals were returned to power in 1921. What had happened in the past would probably happen again in the future. The point, as he took it, was that there should be no change. Nationally he felt Canada had nothing to fear when, with a population of ten million people, it was fourth among the nations in exports.

**Future Bright**

Athol Fraser, who was the first president of the Prince Rupert Liberal Association and who has taken part in many political battles in this district, said that the future looked bright to him. Prince Rupert undoubtedly enjoyed greater prosperity when the Liberals were in power, and a change, he felt, would only be to the benefit of Vancouver as against this port.

Col. McDermie referred to the work that had been done for his district by Fred Stork, the present member. Besides obtaining grants where necessary for work in his riding, he had been responsible for two outstanding things that had greatly benefited Prince Rupert. The first was the appointment of F. C. Dawson to the board of the Canadian National Railways and the second, the elevator. The latter, through the business it would develop, meant everything to Prince Rupert. It was something that people here had dreamed about but which they had been very doubtful of securing in the near future. These two matters should be enough to decide every voter in Prince Rupert to again extend to Fred Stork the support of which he was deserving.

**Stork Only Man**

Ald. Brown, speaking briefly, said that Fred Stork was the only candidate to support. L. W. Patmore also referred to the importance of having Fred Stork nominated and then re-elected.

In the course of the meeting a collection was taken up for the association's funds. The response was generous, Treasurer McDermie announcing at the close of the meeting that \$49.90 had been realized.

big event, the sports program, etc. Preliminary indications are that the 1925 Exhibition, from every point of view, will be the most successful in the history of the city. Already hundreds of people are in the city to attend, and week-end boats and trains, it is expected, will bring in hundreds more.

A lot of interest is attaching itself to the airplane flights that will be conducted by Col. J. Scott Williams and his assistant, S. C. Caldwell, during the week, and many people are promising themselves a ride. Col. Williams guarantees that they will be given their money's worth. The presence of the airplane here is timely and it will probably prove one of the most important attractions of the week. Other important features, of course, will be the performances of Capt. George Ash, crack shot and cowboy king; the recitals by the Indian bands; the baseball and football games, etc.

Entries closed last night for the scholarship ticket-selling campaign closes tonight when all returns are to be in. On Tuesday the winner will be announced.
