GRAIN MAN IS COMING HERE

Local Board Discusses Shipping Situation from this Port at Meeting

A meeting of the local Grain Board was held in the Mayor's office last night S. D. Macdonald, vice-chairman, in the chair in absence of M. P. McCaffery, chairman, who is in the south.

A comprehensive report was heard from C. P. Riel, who was delegated by the board to visit the prairies in the interests of grain shipments through this port.

The many phases of the situation were discussed at length. The outstanding point in the report was the contemplated visit to Prince Rupert of George McIvor, head of the Canadian Co-operative Wheat Producers, Ltd., Calgary, Alta., who controls the marketing and routing of all westbound grain of Alberta and Saskatchewan controlled by the wheat pool. After considerable discussion, and in view of the fact that only half the members of the board were present, it was decided to await the arrival of Mr. McIvor, on or about November 15, when a delegation of the board will wait upon him to place full particulars of marketing conditions through this port before him.

Those present at the meeting were S. D. Macdonald, vice-chairman, Mayor S. M. Newton, Ald. Geo. B. Casey, J. W. Nicholls, C. P. Riel, and S. Webb, secretary.

HOCKEY TEAMS ARE LINING UP

Regina Moves to Portland Holus-Bolus and Saskatoon Busy Under Lalonde

VANCOUVER, Nov. 11.—With Regina out of the hockey league this year and with Portland taking the vacant franchise, there is an air of uncertainty about the outcome of the 1925-1926 season. Saskatoon seems to be strong after the players with Newsy Lalonde as the guiding hand.

Vancouver will play pretty much as it did last year and Victoria will not have many changes. Frederickson has been resigned after a period of doubt and if Frank Foyston can be induced to leave his meat business in Seattle and rejoin the team the Cougars will have a strong line-up.

The Regina club practically intact has gone to Portland but it is expected the team will be strengthened before the season opens.

The artificial rinks are not yet frozen so practices have not yet begun but everything will be in full swing soon.

SPORT CHAT

We have heard about schools being named after kings, princes presidents, etc. etc., But Manassa, Colorado, has set a new style. They have built a new High School there and what do you think they are calling it? Jack Dempsey High School," of course, for the redoubtable world champion honored Manassa by being born there although we never heard that he attended a High School there or anywhere else for that matter. Anyway, Manassa is going to tell the world and its rising generations that it is at least the home town of a world's boxing champion.

The feeling is growing stronger that Jack Dempsey will never fight again or that if he does it will be his last appearance, win or lose, in the ring. The champion continues to have most things pertaining to himself and his movements chronicled extensively. He has recently been on a tour of Mexico but it is not said whether Estelle has been with him or not. Harry Wills, the negro, still seems to be the outstanding figure as far as a rival for Jack's crown is concerned. Young Stribling is also spoken of but it is the general opinion that he will have to gain a little more experience before he will be able to wear the world's crown if he ever does capture it.
