Are the Pennies Blocking Your Way

Some women, even though they realize what a waste of time and what a tiring job washing is, still they struggle with washday because they think laundry service is beyond their names.

But if they'd only try our Thrift-T Service they'd know how economical laundry service can be.

Everything washed clean, your flat work ironed, wearing apparel just to iron—and the cost is only 5c per lb. and 1c per piece.

Get rid of washday and you'll have many new hours a week to use them as you wish. You'd like to have them of course, so don't let the pennies stand in the way.

Mrs. Peter Stephen sustained a gash over the eye and a fractured rib when she was knocked down last evening about 11.30 at the corner of Fulton Street and Third Avenue by the messenger service car driven by Joe Reid. The car was rounding the corner from Third Avenue on to Fulton Street and Mrs. Stephen was crossing between Wallace's and Munro's stores. The accident was apparently unavoidable and the driver brought his car to a quick stop. Mrs. Stephen was assisted by Fred Gilhuly and W. Mitchell, who happened to be passing at the time and Police Constable Potterton and Dr. J. P. Cade attended.
