SLIDE SMASHED EMPTY HOUSE

Harold Parker Tells of Conditions in Interior Result of Recent Floods

LAKES HIGHER THAN EVER

Washouts at 32 Different Points Between Prince Rupert and Pacific

There are 32 washout and slides on the line of the Canadian National Railway between here and Pacific. At Kwinitsa near the east switch a tremendous slide of muskeg and trees came down the bare side of a mountain and filled up between the base of the mountain and the track smashing a two-storey house into matchwood. Such lakes as Kilsumkalum and Lakelse are six feet higher than they were ever known to have been before.

These are some of the features of a report made by H. S. Parker, representative of Stewart & Mobley, who returned to the city last night from the interior after having walked 55 miles of the distance between Pacific and Khyex River in order to get home. He was accompanied from Terrace by W. McLennan of Vancouver, a traveller for cream separators. Where they could, they got lifts in speeders etc. and walked and scrambled around the impassable parts. They left Terrace at noon Tuesday, arriving here last night.

Mr. Parker says that he never saw anything like the conditions now prevailing along the line as a result of recent high waters. Some of the washouts between here and Pacific are quite large. The worst points are around Kwinitsa and between Vanarsdel and Hannall. It will be at least two weeks before repairs can be made and service restored, Mr. Parker believes. With bridges out at both ends of the space, the line is tied up tight between Khyex and Hanall. The town of Terrace comes within that space. The larger points are well supplied to meet the emergency, but Mr. Parker is of the opinion that some people at isolated points may go hungry as far as certain articles at least are concerned before a freight train gets through.

A report was brought into Terrace, Mr. Parker says, by a hatchery man that some of the boat houses and sheds at the Lakelse Hatchery had been washed away.

The water had started to recede on the Skeena River, Mr. Parker says.

ONLY ONE YET FOR MAYORALTY

Ald. McMordie so Far Not Opposed in Field

While it seems to be considered quite possible that either Mayor Newton or Ex-Ald. S. D. Macdonald may enter the field, Ald. McMordie today is apparently the only candidate who is definitely out for the 1926 mayoralty. Some men whose names have been mentioned were interviewed by the Daily News today. Some gave indefinite answers as to their intentions while several stated emphatically that they had no intentions of entering the race.

Among those who said definitely that they had no intentions of seeking mayorally were C. H. Orme, Ex-Ald. Collart, G. W. Nickerson, S. E. Parker and Ald. George B. Casey.

Ex-Mayor H. B. Rochester said that he was not seriously thinking of entering the contest and Ex-Ald. W. H. Montgomery was non-committal.

Mayor Newton gave his answer to the question as to whether or not he would be a candidate for re-election the statement that personally he had no wish to again assume the responsibilities of the mayoralty. His Worship has declared on more than one occasion in public lately that "he would be through" after this year. It is understood, however, that his friends are attempting to induce him to run again.

Ex.-Ald. S. D. Macdonald said he was not yet prepared to make a definite statement as to whether or not he would be a candidate for the mayoralty.

Some posible candidates seem to be holding back till the situation becomes more definitely lined up later on.

SPORT CHAT

Next week will see the closing of various sport schedules until after the Christmas and New Year vacation season. First halves of the schedules will be completed in the men's and women's sections of the Whist League and the Cribbage League will wind up a week from Monday. The second division billiard league finished last week and the first division on Tuesday of this week. In almost all the competitions, interest will be keen after the first of the year for none of the leading teams have by any means a cinch on honors. It is understood that a determined effort is to be made to have league basketball started after the first of the year. The difficulty that is still in the way is the failure to obtain suitable premises for the playing of the games.

Despite many efforts made to protect them, including the spreading of straw, salt and sand, there were many players injured on the frost-hardened ground in last week's Old Country soccer matches. On account of the conditions, players were very cautious and the attendance at the games was down. Among the causualties were: Mooney of Newcastle, broken leg; Hopkins of Liverpool, broken collar bone; Jennings of Luton, strained groin; Wells of Arsenal, broken leg; Osborne of Tottenham, Parker of Sunderland, and Eyre of Bournemouth, carried off the field.

Shame on You, Girls!

"Too many girls play bridge in the parlor while mother plays Bridget in the kitchen," observes a witty exchange.
