PROPOSAL TO TAX CATS IN ANCIENT SCOTTISH CAPITAL

LONDON, Nov. 6.—People who are not fond of cats repeatedly declare they ought to be taxed even as dogs, or rather their owners, are taxed. Edinburgh city council has a strong anti-feline spirit, and there is a proposal afoot for a system of cat licences. Perhaps it would be more just to the town council to suggest they are moved by humanitarian than anti-feline considerations, for apparently their proposed action is prompted by the fact that the Scottish society, for the prevention of cruelty to animals dealt last year with nearly five thousand unwanted, friendless, homeless pussies, most of them moreover being diseased.

One shilling is the proposed licence fee. It is also proposed that the police shall be empowered to seize stray cats. How a corpulent member of the force is to secure a lean and hungry and presumably agile cat has not so far been disclosed. However, the chief sanitary inspector is to draw up a general scheme. Meanwhile the Prevention of Cruelty Society employs two uniformed women to collect stray cats in the streets and backyards

Any such proposed for demanding a licence to be held by catkeepers would presumably have to receive the sanction of the secretary for Scotland

A Few Doses of Dr. Wood's Norway Pine Syrup

May Stop That Cough

Mr. Frank D. Comeau, West Bathurst, N.B., writes:—"I had a very bad cold and cough that settled on my lungs, and I thought that I would never get rid of it.

One day a friend spoke to me about your wonderful remedy, so I sent and got a bottle of it, and after the first dose I took I got relief, and by the time I had finished the bottle I was completely relieved of all my trouble."

"Dr. Wood's" is put up only by The T. Milburn Co., Limited, Toronto, Ont.

NORTH VANCOUVER MEMBER IS URGING SQUAMISH RAILWAY

VICTORIA, Nov. 6.—All sorts of demands are being made of the Provincial Government in connection with the P.G.E. J. M. Bryan, speaking to the address urged the completion of the line between North Vancouver and Prince George commencing with the section between North Vancouver and Squamish. He argued that the opening of the second narrows bridge today made it particularly desirable just now.

BETTER CULTIVATION HIGHER GRADE STOCK IMPROVE AGRICULTURE

That is Remedy for Prevailing Ills Set Forth by Hon. S. F. Tolmie in Address to Victoria Gyros.

VICTORIA, Nov. 6.—Agriculture means the prosperity of the whole country and affects every other business or industry. If agriculture is placed on a sound and safe basis, the rest of the country will take care of itself, Hon. Dr. S. F. Tolmie, Federal member for Victoria, told the members of the Victoria Gyro Club at their luncheon.

Hon. Dr. Tolmie, after reviewing agricultural conditions in Canada today, outlined a number of ways in which greater agricultural results could be attained, the wealth and prosperity of the country increased and taxation reduced.

By a slight improvement in the cultivation of the soil and a little higher grade of livestock the agricultural products of this Dominion could be increased $508,000,000 a year, Hon. Tolmie asserted.

The speaker said that agricultural colleges in the various provinces were playing an important part in the progress of the industry. Many who graduated from these institutions went onto the land and did very well. There were, however, quite a number of boys, Hon. Dr. Tolmie observed, who left the land to attend the colleges and did not return to the farm after graduating.

Lauds Experimental Farms

Praise for the work carried on by the Government experimental farms was given by the speaker, who said that these agencies taught the farmers what to do and gave them valuable advice. He stated that the discovery of Marquis wheat by the Ottawa farm would pay for the cost of the entire system. Exhibitions were also added as contributing factors in agricultural advancement.

EIGHT DOLLARS A MONTH IS PAID TO BULGARIAN SCRIBES

SOFIA, Nov. 6.—News reporters here presumably exist on what many newly married couples always feel they can fall back on—love and fresh water. The average reporter receives about $8 a month and, an important editor such as Nikola Mileff, who was assassinated, receives less than $50 a month.

Sofia has 14 daily newspapers and they sell for about three-fourths of a cent each.

FOUR HALIBUT BOATS SELL CATCHES TODAY

Volunteer, 2,500 pounds, at 16.3c and 6.9c, to the Canadian Fish & Cold Storage Co.

MEMORIAL ERECTED TO FOREST RANGER

VICTORIA, Nov. 6. — Among the memorials upon the walls of the Parliament Buildings this week was one in honor of Oliver Clark, British Columbia forest ranger, who died at his post of duty after heroically rescuing the inhabitants of a Vancouver Island settlement from the path of a forest fire. His charred body was found after the fire has passed, lying over a log, his forest ranger's badge clasped in his hand.

SLANDER ON BOTH IRISH AND SCOTS

(Victoria Colonist)

But some ponderous German is always "opening his mouth and sticking his foot in it." A German progessor (probably one of the old school) says he has been making some important ethnological investigations and has discovered that the Irish people are descended from the Eskimo. The professor visited both Ireland and Scotland for the purpose of establishing by collection of direct evidence the validity of his theory. In the course of his researches the professor says he found in both Ireland and Scotland "types of Mongol features, straight back hair and thick lips."

DISILLUSIONED.

"I'm getting up a little poker game, Major," invited the friend. "Would you like to join us?"

"Sir, I do not play poker."

"I'm sorry. I was under the impression that you did."

"I was once under that impression myself, sir."

WATER NOTICE.

Diversion and Use.

TAKE NOTICE that Henry C. Giegerich agent for the Engineer Gold Mines Ltd., Inc., whose address is Engineer, B.C., will apply for a license to take and use 50 cu. ft. per second of water out of Wann River which flows westerly and drains into Tagish Lake about two and one half miles south of the Engineer Mine. The water will be diverted from the stream at a point about two miles from the terminus of the said river into Tagish Lake and will be used for hydro-electric power purposes upon the Engineer Mine, whose holdings are described as eleven Crown Granted Mineral Claims, surveyed as Lots Nos. 19, 20, 196, 207, 209, 918, 967, 968, 970, 972, and 1264, Group 1, Cassiar District. This notice was posted on the ground on the 18th day of October, 1925. A copy of this notice and application pursuant thereto and to the Water Act, 1914, will be filed in the office of the Water Recorder at Atlin, B.C. Objections may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the appearance of this notice in a local newspaper. The date of the first publication of this notice is the 24th day of October, 1925.

ENGINEER GOLD MINES LTD., INC.
Henry C. Giegerich, Agent.

Has produced Minerals as follows:—Placer Gold, $77,382,953; Lode Gold, $118,473,190; Silver, $68,824,579; Lead, $70,548,578; Copper, $187,489,378; Zinc, $32,771,497; Miscellaneous Minerals, $1,451,349; Coal and Coke, $260,880,048; Building Stone, Brick, Cement, etc., $42,225,814; making its Mineral Production to the end of 1924 show an

Aggregate Value of $859,427,386
Production for Year Ending Dec. 1924, $48,704,604

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any colony in the British Empire
Mineral locations are granted to discoverers for nominal fees.
Absolute Titles are obtained by developing such properties, the security of which is guaranteed by Crown Grants.
Full information together with Mining Reports and Maps, may be obtained gratis by addressing—

THE HON. THE MINISTER OF MINES
Victoria, British Columbia.

N.B. — Practically all British Columbia Mineral Properties upon which development work has been done are described in some one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B.C. Reports of the Geological Survey of Canada, Pacific Building, Vancouver, are recommended as valuable sources of information.

WESTHOLME THEATRE
FRIDAY AND SATURDAY, 7 and 9.10 p.m.
Saturday Matinee, 3 p.m.

The Hunchback of Notre Dame

A stupendous, sensational, magnificently produced picturization of Victor Hugo's immortal classic. A dashing cavalier, a lovely dancing girl, secluded nooks, whispered promises, sweet sighs, sweeter kisses, a skulking form, a coward knife, a stricken nobleman, a shrinking girl bound in the meshes of the law, intrigue, treachery and guile, smouldering revolt fanned to flame, a mongrel horde bent upon revenge, conflict, galloping chargers, flashing sabres, the grim reaper strode abroad. None should miss it. One of the world's cinema masterpieces. Magnificent! Sensational! Huge cast:

Norman Kerry, Ernest Torrence, Tully Marshall, Raymond Hatton, Patsy Ruth Miller, Winifred Bryson, Eulalie Jensen, Gladys Brockwell and Lon Chaney as Quasimodo, The Hunchback.
TWELVE BIG REELS 50c. and 25c.

Royal Society
