With the city football league about over, the Gilhuly cup will be the next trophy for competition. This should be disposed of in very short time and will give plenty of time for the preliminary games for the exhibition series.

Wednesday evening is not being utilized by either the football or baseball associations, as it was left free for the lacrosse players. However, it seems impossible to have lacrosse on the way this year and those who would like to see juniors in action in either baseball or football have a night free now for their games.

The Gyros, fresh from their victory over the Rotarians, are out now with a challenge to the same team to meet them in a return match, the proceeds of the game to be devoted to the playground fund.

EVEN SCORE IN BASEBALL GAME

Gyro Club and Sawmill Played Six all Draw Last Evening

Baseball fans were rewarded last evening for staying to the end of the five inning game at Acropolis Hill when the Gyro Club tied the score making it 6 all with the Sawmill before the game was called on account of rain and darkness.

Lidstone, on the mound for the Mill, was suffering from a sprained ankle and was consequently not hurting his best. Foley, for the Gyros, was a bit wild at times but was given very good support by his team mates except on one or two occasions.

The Gyros introduced a new back stop in the person of Robideau and he immediately demonstrated that he was familiar with all the fine points of the game. He batted well and, in the last of the fifth, made the circuit which tied the score.

The following is the box score: Gyro Club.
