GHOST INDIAN OF PAWHUSKA

Hermit of Osages Was Once Buried and Then Came to Life but is Shunned

PAWHUSKA, Okla., Nov. 2. — A living ghost among his own people is John Stink, hermit of the Osages. Buried as dead and resurrected from the grave, he lives today alone in a tepee, an outcast from his tribe, a spirit shunned.

John is 62. He is wealthy, oil royalties alone bringing him more than $1,000 a month. But he is shut off from almost all communication, because he cannot speak English and none of his people dare talk with him.

Twenty-one years ago Ho-tah-moie, which was John's Indian name, became ill of a fever. He swooned and in falling was knocked unconscious. All the witchery of the Indian medicine man could not restore him to consciousness. So he was pronounced dead and a few hours later was buried with the tribal ritual.

The Osage custom was to bury the dead in a shallow grave, the corpse in a sitting posture, with the head alone uncovered.

The cool earth and a few hours' time restored John. He worked his way out of the grave and crawled to his tepee. It was night. John's relatives mistook the figure at the tepee entrance for a ghost. And to them he has remained a wraith ever since.

For some years Ho-tah-moie eked out an existence in Pawhuska. His only companions were dogs. With them at least he could commune.

When oil came, a guardian was appointed and John was removed to his own land near here. There he lives, like an Indian of old, hunting, fishing and talking to his dogs.

Miss Rhona Saunders sailed last night on the Prince Charles for Vancouver on a vacation trip.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.
