## GOVERNMENT IS STRONGER TODAY

Dr. King Says Reports Indicate Mackenzie King Will Have Substantial Majority Over all

VICTORIA, Oct. 10. — The strength of the Mackenzie King government is rolling up in all parts of British Columbia as a result of Premier Mackenzie King's declarations in favor of equal treatment for all parts of Canada, Hon. J. H. King, Federal Minister of Public Works, declared.

"Unquestionably British Columbia will send to the next parliament a Liberal delegation substantially larger than that which sat in the last House," Dr. King affirmed. "The people of British Columbia have shown themselves in the last few weeks in keen sympathy with the policies of the government as outlined by the Prime Minister. Those policies are broad and national in character and, if made effective, will do much to overcome the sectionalist views which are being voiced by some people for political advantage in various parts of Canada.

"Not only is the strength of the government increasing greatly in British Columbia, but it is growing also in other parts of the country. Reports from all over the Dominion indicate that the government will have a substantial majority over all other groups in the next House of Commons. The re-election of the government now is certain."
