FINE WORK OF LOCAL CARVER

Alex. Yule is Artist With Knife on Whalebone and Ivory

The majority of people get a lot of pleasure out of a hobby during their spare time, and various fields of endeavor are undertaken in this connection. One of the most useful local hobbies, and one that bids fair to give our city a maximum amount of publicity, is the making of souvenirs from whalebone, eagle's claws, etc., by Alex. Yule, McBride Street. For some considerable time past Alex. has spent his leisure hours in manufacturing remarkably attractive trinkets including tie pins, rings, bracelets, brooches, and a hundred and one pretty and useful articles from whalebone, etc., which are artistically decorated with solid gold and make ideal gifts for either male or female. Alex. will make up anything by request at a very moderate charge.

Around the Christmas season there is great demand for these pretty and useful trinkets and the business gets bigger every year. There are quite a number of orders already on hand for special articles for Christmas but Alex. always carries a representative stock which will doubtless satisfy the majority of people.

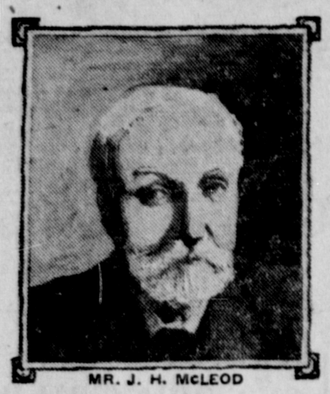
"FRUIT-A-TIVES" WORLD'S BEST REMEDY FOR CONSTIPATION



MR. J. H. McLEOD

"I was troubled very badly with Rheumatism and Constipation and tried a great many remedies without relief, until a friend of mine recommended "Fruit-a-tives". I took several boxes and was very soon completely relieved and am very grateful to "Fruit-a-tives". I think that "Fruit-a-tives" is the best remedy in the world, and have recommended it to a great number of friends who have benefited by it".—J. H. McLeod, Nova Scotia Freemason's Home, Windsor, Nova Scotia.

Constipation is the great curse of old age. Yet day by day, more and more elderly people are enjoying vigorous health through "Fruit-a-tives". This natural medicine — made from intensified fruit juices—ensures the complete natural digestion of food for people of all ages. At your dealers, 25c and 50c.

FEARED TO START MARRIED LIFE IN USING NUMBER 13

EDMONTON, Oct. 17.— There is a marriage certificate in the office of the registrar of vital statistics which has three times been offered to prospective brides and three times refused. It bears the legend "Cancelled, no one will accept." And this because it is No. 13, in a new issue of certificates. One bride refused on the ground that she had had bad luck enough already in her choice and anyway she was 13 years older than her husband, and one 13 in the deal was enough. The next couple said that usually they were not superstitious "but in a thing like marriage you can't afford to take a chance." The third couple were from the country—two young things just starting life together. The tenderhearted registrar took a look at the blushing pair—started to ask the old question, and then stopped. He hadn't the heart to try to get rid of the unlucky thirteenth certificate to so young a couple. Besides, they wouldn't take it anyway.
