CANADA'S BISLEY ON AUGUST 17

This Year's Meeting Will Excel Any Since Pre-war Days

OTTAWA, Ont., Aug. 3.—(Canadian Press).—Canada's "Bisley" meeting, familiarly known as the "D.R.A." promises this year to excel any prize meeting since pre-war days. From early indications, it is expected that about 600 of the best Canadian marksmen will attend this annual shooting meet of the Dominion Rifle Association, to be held on August 17 to 22, at the Connaught Ranges, South Marsh, 14 miles from Ottawa. Last year the competitors numbered approximately 500.

The fine record of the Canadian team at Bisley Camp in the first two weeks of July, when they won the MacKinnon and Kolapore Challenge Cups, and had seven marksmen entered for the final stage of the King's Prize, though they failed to capture it, has undoubtedly stimulated interest in the meeting to be held here. The King's Medal and the Governor - General's competition are the most important matches.

Feature for Airmen

An entirely new feature this year is the inclusion of a two-day trapshooting tournament, open to all Canada. This new feature has been placed on the program of the D.R.A. to accommodate the Canadian Air Force. Clay bird shooting with small arms is now part of the Air Force training. The prizes to be offered in this tournament are very attractive and already many prominent trap shots have signified their intention of attending.

The program for this year will not differ very materially from that of last year, except for the addition of about $1,500 to the prize list. The King's Medal competition has been changed slightly, in that both the rapid and snapshooting rounds (the Bordon and Dundonald) will be shot at the 300 yards range. Last year the ranges were 200 and 300 yards respectively.

Like King's Prize

In these rounds this year the competitors will be squadded singly instead of by teams, meaning that the marksmen will have to rely on their own judgment instead of being coached by a team commander. The King's Medal is shot for in four main rounds, the other two being the Bankers', deliberate fire, and the Gzowski, fire with movement. The Borden and Gzowski stages feature the closing day of the meet. The competition corresponds in many respects to the King's Prize at Bisley.

The program for the D.R.A. this year provides the usual competitions open to cadets, tyros and senior shots. The meet is opened with the Tyro, Macdougall, Barlow and Cadets' competitions, and the Bankers' stage of the King's Medal. On the second day the City of Ottawa, first stage, and the Walker Trophy, will probably be shot.

Valuable Prizes

Later on the program are the second stage, City of Ottawa, MacDonald Brier, and Coates competitions, and the fourth day will probably see the first stage of the Governor-General's competition decided, along the Dundonald stage, King's Medal, and London Merchants' Trophy. Closing the meet are the final stage of the Governor-General's competition and the Borden and Gzowski stages of the King's Medal.

At the conclusion of the meet on August 22 the prizes will be distributed. Cash prizes amounting to $12,000 are offered and trophies to the value of $100,000.

LOCAL TEAM BEAT SAILORS YESTERDAY IN BILLIARD MATCH

A team from H.M.S. Capetown met a team from the Great War Veterans Association yesterday afternoon in a friendly billiard match which resulted in a win for the local aggregation. The teams each consisted of five men and the games were played in the War Veterans Billiard rooms. A large number of enthusiasts watched the matches which were featured by good runs by players from both teams and called for applause from the specators.

The War Veterans club rooms are open to all men from H.M.S. Capetown while she is in port and the Association is contributing a great deal toward making the stay of the sailors a very enjoyable one.

Sport Chat

The Rotary Club has accepted the challenge from the Gyro club for a return baseball match, date and details to be arranged later. It is understood that the Elks are considering a challenge to the Gyros for a game to be played on their Field Day. These games are interesting to the general followers of sport for several reasons and not the least important of these is the novelty of seeing players on the diamond who are not familiar figures in the regular lineups.

A move is on foot to have a tennis tournament for the city championship. While it is claimed that a great many of the local players are away or have not sufficient time to play just now, nevertheless it would seem a good thing to get the thing under way and make tentative plans for the games to be held sometime toward the latter part of this month or the first part of next. The cement courts in the railway yards are about ready and should prove attractive to those of the C.N.R. service who can scarce afford the time to go up to Acropolis Hill. Several from H.M.S. Capetown have been enjoying a few sets of tennis on the Regimental Courts. Perhaps it would be possible while the cruiser is in port to have a few friendly games between men from the cruiser and local players.

Tommy Gibbons has quit the ring. He may be permanently out of the boxing game or his retirement may be only temporary. All depends on the health of Mrs. Gibbons. "I would like to find out if I have gone back the way it seemed I had in my fight with Tunney, but unless Mrs. Gibbons is restored to her former health it is probable I will never know for I shall not fight again while she is ill," Gibbons said. "When she does recover, I shall go into training with the best handlers I can find to try to learn what made the vast difference between what I was and the way I showed in my last big fight. In any case, it will be some time before I re-enter the ring and if I do it will be with every assurance that I am better than I was when I met Tunney. At present my home needs me worse than I need the ring."

P. W. Anderson, district road superintendent, is leaving tonight by the Prince John on his annual trip to the Queen Charlotte Islands. He will be away a fornight.
