METLAKATLA OPENED BADLY

Lost Baseball Game Against the Locals in First Two Innings Yesterday

BETTER NEXT TIME

Showing signs of being out of practice, the New Metlakatla baseball team was unable to settle down in the first two innings of the first game with Prince Rupert yesterday afternoon and the seven runs scored by the locals in those two frames accounted for the visitors being beaten by 9 to 2. Ed. Leash, who is said to be Metlakatla's star pitcher, only lasted the first inning, when Prince Rupert scored four runs. He was replaced on the mound in the second inning by Louis Kitcoon, who allowed three more runs. From this on the visitors tightened up in fielding, however, and were successful in holding the locals to two more runs, while they themselves made two. The way things went in yesterday's game indicates that a better game may be expected when the teams meet again tomorrow afternoon. It is possible that there may be a third game on Sunday, as the Metlakatla team will not be returning home until Monday.

The locals excelled the visitors in hitting yesterday, while Schlenker, the Prince Rupert hurler for seven innings, held the game in his hands practically all the time. The only run that got past him was in the seventh when Buckert, who had made a two-bagger, was scored on a sacrifice fly. Astori pitched the last two frames for Prince Rupert and the visitors made their second run in the ninth due to an error.

Hits and Errors

Metlakatla only got four scattered hits, two off Schlenker and two off Astori. Phil Hewson touched Schlenker for a two-bagger in the first inning, as did Buckert in the seventh.

Prince Rupert got nine hits, two off Leash in the first inning and the balance off Kitcoon. Vic Menzies poled out a circuit clout to left field in the first inning with Jones ahead of him. This was after Moran had been scored. Sidney Bazett-Jones made a three-base hit in the sixth with no men on bases and two down. He was scored by Vic Menzies with a nice single.

Prince Rupert made five errors, as follows: Farquhar 1, Moran 2, W. Mitchell 1, Menzies 1. Metlakatla made six errors; Evans 2, Williams 1, Buckert 1, Leash (second base) 2.

Schlenker's excellent pitching was indicated by his having fanned 12 men, striking them out 1-2-3 in three innings. Astori made one strike-out, Leash one and Kitcoon four.

The Line-ups

The teams lined up as follows:

New Metlakatla—Willie Brendible, cf; Phil Hewson, 2?; Clarence Edwards, c; Charles Buckert, 3b; Jimmie Evans, 1b (captain); Ed. Leash, p (2b after first inning); Louis Kitcoon lf (pitcher after first inning); Jimmie Williams, rf; Harold Hudson, 2b (lf after first inning).

Prince Rupert—S. Moran, 2b; W. Mitchell, cf; Howard Frizzell, lf; S. Bazett-Jones, rf; Vic Menzies, 1b; Balfour, c; Farquhar, 3b; Vallance, ss; Schlenker, p; Robideau, c (after fifth inning); W. Lambie, lf (after fifth inning); H. Astori, p (after the seventh inning).

Metlakatla made a double play in the fourth when Phil Hewson caught a fly and a base-runner was put between first and second.

Score by innings:

	1	2	3	4	5	6	7	8	9
Metlakatla,	0	0	0	0	0	0	1	0	1—2
P. Rupert,	4	3	0	0	0	1	0	1	x—9

Sport Chat

In view of the fact that a select baseball team from Anyox is coming to Prince Rupert next week to meet the locals in connection with the Fair Week activities, a little "dope" on the players, taken from batting and fielding averages just compiled in the smelter town, may be of interest. Nicholson, of the Mine, carried off the individual batting honors for the 1925 season with a mark of 356. Cecil Ferguson and Fred Brown, of the Elks, came next with 333 and 300 respectively. Teddy Halverson made the most runs, 15, and also the most errors, 18. Les Lane stole the most bases, 15, and Dooley Deane made the most sacrifice hits, eight, as well as having the best fielding average for the season, 971. Bud Sheen fanned the most times and Cecil Ferguson was the star pitcher of the year, winning nine games and losing two. Ferguson pitched a total of 76 innings and allowed only three earned runs.

Though the play itself might have been better, yesterday afternoon's opening baseball match between New Metlakatla and Prince Rupert was worth the money to the crowd of spectators that witnessed it. The boys from the north, most of them natives, are a well set-up lot and, though they showed signs in the first two innings of being out of practice, they are undoubtedly capable ball players and in the next games there is reason to believe they will give the locals a better run than they did yesterday. Eliminate the first two innings and it would have been a mighty tight game, although there were more errors on both sides than there should have been. Unlike some of the visitors Prince Rupert has had, and even some of the home players, the Metlakatlans take any breaks there may be against them in a cheerful manner and there is no crabbing. They showed themselves yesterday to be good sportsmen even if things were going against them, and this made the game a pleasant one to watch. Perhaps Manager Herbert Murchison has a good deal to do with the way his players and their supporters conduct themselves. He tells his gang, when they are tempted to taunt the umpire, that "he is our man just as much as he is the other side's." Mr. Murchison also discourages rooting on the players' benches, although he likes to have a vociferous "hurrah" gang operating in the grandstand and bleachers. It is to be hoped that the spirit displayed by both sides in the game yesterday will be continued into the Fair Series next week.

BIBLE STUDENTS MAKE NAME FOR THEMSELVES IN DISTRICT OF SOOKE

VICTORIA, Sept. 3.— Recent visitors to Sooke have been much struck with the manner in which this former sleepy village is being "made over" by the members of the Bible Students' Association, followers of the late Pastor Russel. They have formed an industrial organization there known as the Star Construction Company which erects houses in Victoria and suburbs and now has undertaken the work of operating a cheese factory at Sooke.

The place is being renovated and revived by these people who are trying to show the value of industry and right living. The Swiss cheese made at Sooke is already acquiring a reputation. Farmers now find a market for their product and the result is beneficial to everyone.

BURNS LAKE

Negotiations are under way for the purchase and operation by a group of United States capitalists of the copper and galena claims four miles north of Decker Lake owned by R. H. Gerow, Jack McLean, D. M. Gerow and William Reid. Two thousand dollars is the option price per claim and generous terms for a percentage of the proceeds of operation are also agreed upon.

Dr. J. T. Steele of Vancouver has opened up a practice as medical practitioner in Burns Lake.

Provincial Constable Carr and Corporal Hall, R.C.M.P., returned here recently from a 400-mile trip to the district south of the Lakes.

Mrs. Oakla Collier and family of Francois Lake left here last week on a trip to Ohio.

Miss Haines, R.N., has arrived here to assist for a while in the Burns Lake Hospital, after which she will proceed to Wistaria to take charge of work there for the Women's Missionary Society. Miss K. M. Inglis, who has been relieving in the local hospital, has returned to her home at Gibson's Landing.

ALICE ARM

Excellent showings are being made as the Kitsault River Mining & Development Co. Ltd. proceeds with development work on the Matilda property near Kitsault Glacier.

At the meeting of the Alice Arm branch of the B.C. Chamber of Mines last week it was decided to send an exhibit to the Prince Rupert Fair. The meeting was addressed by E. A. Haggen, editor of the B.C. Mining and Engineering Record.

J. Nick has returned from an overland trip from Alice Arm to Stewart and back again. It took him two weeks.

George Clothier, resident mining engineer, and Mrs. Clothier are visiting the district.

Always have Mustard on the table

It's not just custom that makes people take mustard with their meals. Mustard aids digestion and helps to assimilate the meats. It is a good habit to acquire. Mix it freshly for every meal.

but it must be Colman's 230C

HAD HIS DOUBTS.

Willie—Hello! Why are you standing here in front of the office you got fired from last week? Waitin' to get taken back?

Jimmie — Not much! I just wanted to see if they was still in business.—Kansas City Star.

WATER NOTICE.

Diversion and Use

TAKE NOTICE that Gleaner Consolidated Gold Mines, Limited, whose address is 702 Yorkshire Building, Vancouver, B.C., will apply for a licence to take and use all or any part of the water of Gleaner Creek, also known as Bonanza Creek, which flows westerly and drains into Takla Arm about 200 feet south of Engineer Mine dock. The water will be diverted from the stream at a point about 400 feet southwest of the northeast corner of the Myrodin mineral claim, Lot No. 239, and will be used for mining purposes on the Gleaner property, Lots Nos. 239, 240 and 241. This Notice was posted on the ground on the 3rd day of July, 1925. A copy of this Notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Omineca. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is the 24th day of August, 1925.
