A Novel & Safe Way
Of Dealing With
COUGHS & COLDS.

THERE is no safer treatment for colds, chills, sore throats and bad coughs than to take a few Peps tablets.

Peps soothe the tender throat and air-tubes and remove mischievous germs. They keep the delicate respiratory organs healthy and protect chest and lungs from harm in this trying wintry weather.

Sealed up in every Peps tablet are powerful medicinal fumes which are carried with the breath straight into chest and lungs. That is the secret of their valuable 'direct' action.

NO HARMFUL DRUGS

Free from opium, chloral and other harmful drugs, Peps are splendid for old and young. Dr. Gordon Stables and other eminent authorities acknowledge PEPS the safest and most effective throat and chest remedy ever discovered.

Handy size boxes of all druggists.
