PRINCE GEORGE

At a largely attended meeting of the Prince George Board of Trade, a resolution was passed approving of the efforts of H. G. Perry, M.L.A., in pressing on the legislature that the Pacific Great Eastern Railway should be finished to Prince George and extended into the Peace River. A strongly worded resolution along these lines is to be drafted and Mayor Alward will also take up the question at the convention of the Associated Boards of Trade of B.C. in Chilliwack next week. The city council has also gone on record as approving the efforts of Mr. Perry.

The city council has decided to strictly enforce the Pound Bylaw here this winter and, with that end in view, a poundkeeper will be engaged.

A two night Hullabaloo and Cabaret dance was held in the Rits-Kifer Hall on Thursday and Friday nights for the purpose of raising funds for a nurses' home in connection with the Prince George Hospital.

Is Your Back The Weak Point

Then get your kidneys right by using Dr. Chase's Kidney-Liver Pills

Very few people are in perfect health. There is a weak spot somewhere. When you get tired or your system gets a little run down you feel the effects at your weak spot.

If your weak spot is your back, then you may suspect that your kidneys are not in perfect order. The back aches or is weak and sore; you may have headaches; there will be dryness of the skin, pains in the limbs and disorders of the bladder.

The quickest way to regulate the kidneys is by using Dr. Chase's Kidney-Liver Pills. They are bound to be effective because they arouse the action of the kidneys, liver and bowels and thereby ensure the elimination of poisons from the system.

MANY WERE PLAYING BADMINTON YESTERDAY

Tryout of the Elks Courts Made by Members of the Other Club

Yesterday the courts of the Prince Rupert Badminton Club were crowded all afternoon and a number of fast games were seen. Probably the fastest and most spectacular player was Larry Wyles, the redoubtable Bank of Commerce champion. Bob Bartlett who is the cup holder for the championship of the city, has not been practicing as much as some of the others and seemed to have slipped a little. Harold Thompson and several others are close runners up while Owens, who was new to the game at the beginning of the season, is bidding fair to make a mark before long.

Owing to the courts being crowded, some of the members went over to the Elks' courts and gave them a try out. Playing there is quite a different game owing to the high ceiling and the rather short courts. The general opinion was that they were an improvement on the other courts in the city. The main objections are the slipperiness of the floor and the closeness of the wall to the back line of the courts.

SPORT CHAT

Sport events scheduled for the week are as follows:

Monday (tonight). — Cribbage League: Elks vs. C.N. Mechanical; G.W.V.A. vs. P.R. Hotel; L.O.L. vs. Moose; S. of C. vs. St. Andrew's; Dry Dock vs. Cold Storage; C.N. Operating vs. K. of C.

Tuesday.—Senior Billiards; G.W.V.A. vs. P.R.B.P. Ladies' Whist (postponed games)—D. of E. vs. Moose-heart; L.O.B.A. vs. Pythian Sisters.

Thursday. — Men's Whist: St. Andrew's vs. L.O.L.; S. of E. vs. K. of P.; S. of C. vs. K. of C.; Elks vs. Moose. Second division billiards.—G.W.V.A. vs. P.R.B.P.

The most wonderful increase of popularity of any sport in Canada these past few years is that which has attended the game of badminton, a pastime which ten or even five years ago was only indulged in by a few and those mostly ladies. Since then a Canadian Badminton Association has held big championship meets and the popularity of the sport has spread from east to west and north to south and from the largest cities to the smallest hamlets. The big badminton event of this winter and one which promises to put the game even more on its feet will be the visit of the crack Old Country team to the Dominion next month. To accommodate the many people who will wish to witness the games in Montreal, the Winter Club of that city is putting up special stands that will take care of a thousand people.

Smithers had its first skating of the season last week when the cold snap made excellent ice on various sloughs in the vicinity of the town. Several parties took advantage of the occasion to enjoy the exercise and indications point to an increase of popularity for skating this winter. The ice was melted soon, however, with the arrival of another warm spell and a downpour of rain.

The Hazelton District Rod and Gun Club at a meeting this week decided to ask the provincial government to put a bounty of $1 on hawks and owls and to increase the bounty on coyotes from $2 to $4. It was also asked that a fish warden be put on in the district in March next year instead of May. Another matter the club is taking up is the question of restocking trout lakes in the district.
