PLEASED WITH PEACE COUNTRY

Archdeacon Rix Says People There Want Canadian National to Build There

LOOK TO WESTERN ROUTE

Will be Tremendous Development Once the Line is Built There, He Says

"Five hundred miles north of Edmonton I saw as good grain harvested and just as early as at any place on the prairies," declared Archdeacon Rix, when talking of his recent visit to the Peace River country. British Columbia has 30,000 square miles of country there that will grow that sort of grain. Much of it is open prairie and some is lightly wooded. There is lots of open land left.

"On my way I passed 300 head of cattle being driven out. They had just come off the grass and were the finest quality three year old steers. They were a sample of what the country can do."

The Archdeacon found the people there uniformly anxious that the Canadian National should be the railway to open up that country. It was realized that the C.N.R. provided the only direct route to the coast. This was particuladly evident at Pouce Coupe, where it was expected a western route would be opened out by the Government railway. It was the opinion of the Archdeacon that once the railway was built to the west the development of that country would be tremendous.

Archdeacon Rix spoke of the roads of the district and complimented the Governments of British Columbia and Alberta on the good work they had done in opening up the country by roads. This was in evidence everywhere not only in the Peace River but throughout northern British Columbia.

DRYDOCK BUSY

Two Boats on Dock There and Newington Hauls Out on Wednesday

The 68-foot gasboat Reef Bay, under charter to the Somerville Cannery as a fish packer, was taken on the dry dock yesterday for keel repairs following a recent grounding.

The American halibut schooner Sentinel, which was sunk in a collision last week, is still on dock with a big hole in her hull. It has not yet been decided by the insurance companies whether or not repairs will be made here.

The lighthouse tender Newington will be taken on dock next Wednesday for annual overhaul.

CHARLIE LEMON SHOT BIG BEAR

Monster Weighing Between Five and Six Hundred Pounds Bagged at Silver Creek

"Bingo, and down he went" and that's all there was to the shooting of a big black bear at 7 o'clock yesterday morning on Silver Creek by Charlie Lemon The hunter, accompanied by George Taylor and Charlie Edgar, rowed up to Silver Creek late Saturday night and camped on the shore. Just before daybreak the party wandered up the creek and when about half a mile from tidewater Edgar caught sight of the bear, which weighted between 500 and 600 pounds. Charlie Lemon immediately drew a fine bead upon the chest works of the monster and down he went.

The hide was found to be in excellent shape considering the time of year. The head proved that he was an old one. The party returned to the city yesterday.

BOOTH SCHOOL WON FOOTBALL

Large Number of Spectators Out to Watch Game Saturday Afternoon

Booth School won the Junior League football game on Saturday afternoon from Borden St. by a score of 4 to 1. The match was watched with a rather larger sized crowd of spectators than usual.

Borden Street had a fair share of the play which was more even than the score might indicate. The players of this team missed a number of opportunities to score. Pete Fisher, at right half, played his first game for Borden Street.

Booth School had a new player in the person of Dickens who, at inside right, showed promise of being a clever player.

The winning team scored two goals in the first half and two in the second, the scorers being: Jack Nelson, 2; Kelsey, 1; Fred Dingwall, 1. Borden Street got its only goal a few minutes before the final whistle through Bronson Hunt.

George Cochrane was referee and linesmen were Jack Campbell and J. S. Wilson.

The next game will be on Saturday of this week between Booth School and the High School.

SPORT CHAT

The Prince George Gold Club has been holding some interesting tournaments the past few Sundays with large numbers of players in the running for town honors. The Sunday before last thirty-three members were out and the first prize winner was Stanley W. George with Art Dea. Yesterday a handicap tournament in which sixty players are participating was started. Golf has gained great popularity in Prince George recently and seems to be in vogue just as much there as it is in the older and more staid towns in the province such as Nelson and Penticton.

Douglas, Arizona, has gone baseball mad since that town recently acquired some of the outlaws from big league baseball and started a team which has copped off all the honors in the neighborhood. Hal Chase, banished star of the 1919 New York Giants, was hired early in the year to organize a team which now contains Buck Weaver and Chick Gandil formerly of the Chicago Black Sox, and Tom Seaton, once a famous pitcher for the Philadelphia Nationals. Other towns on the circuit with Douglas are Fort Bayard, New Mexico, El Pazo, Juarez and Chih.

SQUIRE IS WINNER OF SPOON AT RANGES

Owing to the handicap against Lamb, Brass and Wilson, the spoon was won at the ranges yesterday by A. Squire. Scores were as follows:

W. Brass	28	26	28	82
